IN MEMORY OF GEORGIA LAZARINE

Our cherished memories of Georgia Lazarine shall last forever.

Georgia, for seven and a half years you were there when we needed you. Your friendship was genuine and everlasting, your sympathy was sincere, your patience was endless, and your unstinted service and loyalty were an inspiration.

Remember the day you wiped a falling tear, helped us learn to read, and walked us to our room. Oh yes, and remember the day you took the time to listen, and told us that you loved us.

Georgia shall always be remembered for the smile she wore, and the strength she gave. Her every thought was dedicated to the students, faculty, and many friends of Temple Junior School.

When you need a friend - look up, Georgia will still be there.

IN MEMORY OF AMADOR QUINTERO

Amador's classmates, teachers, and many friends shall always remember him as the student who played an extraordinary roll in Temple Junior School's life.

Our beloved friend and classmate had an abundance of love and joy which he was always willing to share. He

... loved to draw,
... loved to play,
... loved to run,
... loved to dance;

And he cared about those around him.

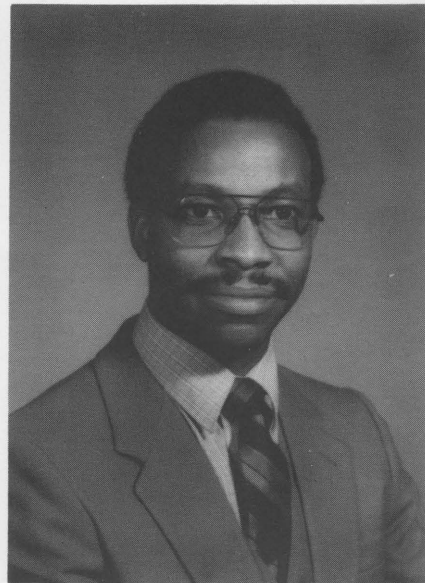

Amador will be remembered for many things; but mostly as a loving 6th grader and a true friend who loved his classmates.

Amador - Oh how we miss you.
