

SUSAN
DETWILER

Dear Brechin & Layl.

I know Carol called to tell you about
Bill but thought the Chronicle sheet was
good so am sending it to you.

Things are good here - hot & dry - could
use some rain - had so much for a
little while - now none.

We hope Don & David get home before
the summer is over - They have plans
to let you never know -

Hope all is well at your place &
with the family

Love, J. Davis
