2027 TOURNAMENT GUIDELINES

Following are guidelines for hosting/participating in an AAU Super Regional or Grand Prix Tournament. This information may be revised at the discretion of the AAU Volleyball Executive Committee. ALL Grand Prix and Super Regionals **MUST** be approved by AAU Volleyball Executive Committee.

1. AAU License & Membership

- a. Hosts must submit the AAU Super Regional/Grand Prix Application Form to the AAU National Office. The National Committee will review applications for approval. A limited number of Super Regional and Grand Prix events will be approved. **Stay to Play events will not be accepted.**
- b. **All participants must be members of the AAU (club, athletes and non-athletes).** It is the tournament Host's responsibility to ensure participants are AAU members. This can be done in the following ways:
 - i. Require teams to complete their roster online at www.aauvolleyball.org/register and submit a copy of the AAU generated team roster with their entry.
 - ii. Require teams to present proof of membership at check-in which includes an AAU generated team roster, AAU generated club listing or copies of AAU membership cards.
 - iii. If using AES or SportWrench for registration, require teams importing their AAU memberships for validation. If memberships have been imported the roster will mark them as verified.
- c. The tournament must be promoted as an AAU licensed event. Dual licensed events will not be approved. An event flyer will be required as part of the application process and must include the approved AAU language provided in your approval email. The AAU shield must be used in the event logo and/or must be clearly displayed on the event website.
- d. Super Regional and Grand Prix events must take place before the start of the AAU Junior National Volleyball Championships. However, it is recommended that tournaments take place prior to the entry deadline to Nationals, which is typically the second week in May. Teams winning a Super Regional or Grand Prix event will be reimbursed the entry fee provided they contact volleyball@aausports.org by July 1st, 2026. **Refund requests will not be accepted after July 1st, 2027. It is the responsibility of the Tournament Host to relay this information to winning teams. Winning teams WILL NOT automatically be refunded, nor will they be contacted by the National Office. Spots at AAU Nationals WILL NOT be held for winning teams, it is recommended that teams hoping to participate register for the event as soon as possible once registration opens.**
- e. Officials must have an AAU membership when working national level events including Super Regional and/or Grand Prix events. It is the tournament host's responsibility to require officials to provide their valid 2027 AAU membership number before the start of the event.

The winner in each boys' age division with **16 or more teams** will receive a free entry fee to the AAU National Championships. If less teams participate, the entry fee will be adjusted on a percentage basis per the chart below based on the number of teams that participated in that division.

- b. **This is not a bid; your team must be registered & accepted (which includes paid) for either the AAU National Championships or The Volleyball festival before your division closes.** This is a team award for the current season and may not be passed to another team in your club or saved for the future. If your division is closed, you have the option to be put on the wait list or enter another division in the same age group. It is the winning team's responsibility to contact volleyball@aausports.org to receive their free or discounted entry fee. **Refund requests will not be accepted after July 1st, 2027.** Winning teams **WILL NOT** automatically be refunded, nor will they be contacted by the National Office.

- g. The free/discounted entry fee applies only to the team that won the event. **The club cannot apply it towards a different team within the same club.**
