Absentee bids are executed competitively, but are done as a courtesy. Every effort will be made to execute all bids but you must agree that Antique Helper cannot take responsibility for missed absentee bids. PLEASE NOTE: Absentee bids placed after the auction start time are more difficult to administer and may not be effectively executed.

Please use table below to list absentee bids or write "phone" to request a phone line. We will call you prior to the lot going to the podium to ask for your bid. To bid an additional increment, if your high bid is off increment, write "+1" after your high bid.
