## LaSalle Earns 2022 ENERGY STAR® Partner of the Year Award for Fourth Consecutive Year

**CHICAGO (May 5, 2022)** – LaSalle Investment Management (“LaSalle”) is proud to announce that it has received the 2022 ENERGY STAR® Partner of the Year Award from the U.S. Environmental Protection Agency and the U.S. Department of Energy for the fourth consecutive year.

Each year, the ENERGY STAR program honors a group of businesses and organizations that have made outstanding contributions to protecting the environment through superior energy achievements. ENERGY STAR award winners lead their industries in the production, sale, and adoption of energy-efficient products, homes, buildings, services, and strategies. These efforts are essential to fighting the climate crisis and protecting public health.

**Elena Alschuler, LaSalle Americas Head of Sustainability, said:** “We’re thrilled to be awarded the ENERGY STAR Partner of the Year award for the fourth consecutive year. The EPA’s continued recognition reflects LaSalle’s commitment to a data-driven approach to sustainability throughout our investment underwriting and property ownership. Our standard practice includes using ENERGY STAR Portfolio Manager to assess the efficiency of our properties on an ongoing basis, allowing us to advance our sustainability goals in ways that should drive financial performance for our investors.”

**EPA Administrator Michael S. Regan said:** ““We know it’s going to take all of us working together to tackle the climate crisis, and the 2022 ENERGY STAR award-winning partners are demonstrating what it takes to build a more sustainable future. These companies are showing once again that taking action in support of a clean energy economy can be good not only for the environment, but also for business and customers.”

This achievement adds to LaSalle’s strong track record of ESG best practices and distinctions. Industry organizations continue to recognize LaSalle for ESG leadership and maintaining its distinction as an employer of choice. LaSalle has received the following U.S. and global awards in the past year:

- [14 GRESB-rated funds: 1 five-star and 3 4-star ratings](#)
- [American Red Cross Corporate Wesbury Award](#)
- [114 WELL Health-Safety Ratings across Americas portfolio](#)
- [P&I Best Places to Work in Money Management](#) (6<sup>th</sup> year in a row)

### About ESG at LaSalle

At LaSalle, our purpose is clear: we deliver investment performance today for a better tomorrow for all our stakeholders. We recognize that ESG has an essential, material influence on investment performance. We tailor our approach to each fund and each asset, working to protect and enhance financial returns today and in the future. We all contribute in different ways and integrate ESG into our processes; it’s part of everything we do.

### About ENERGY STAR

ENERGY STAR® is the government-backed symbol for energy efficiency, providing simple, credible, and unbiased information that consumers and businesses rely on to make well-informed decisions. Thousands of industrial, commercial, utility, state, and local organizations—including more than 40 percent of the Fortune 500®—rely on their partnership with the U.S. Environmental Protection Agency (EPA) to deliver cost-saving energy efficiency solutions. Since 1992, ENERGY STAR and its partners helped American families and

businesses avoid more than \$500 billion in energy costs and achieve more than 4 billion metric tons of greenhouse gas reductions. More background information about ENERGY STAR's impacts can be found at [www.energystar.gov/impacts](http://www.energystar.gov/impacts) and state-level information can be found at [www.energystar.gov/statefacts](http://www.energystar.gov/statefacts).
