**Exhibit Number** **Description**

99.1 Press release issued by JLL Income Property Trust on February 4, 2026 announcing the sale of Kingston at McClean Crossing located in the suburb of McClean, VA.

**JLL Income Property Trust**

**Sells Washington DC Area Apartment Community**

**Chicago** (February 4, 2026) – JLL Income Property Trust, an institutionally managed, daily NAV REIT (NASDAQ: ZIPTAX; ZIPTMX; ZIPIAX; ZIPIMX; ZIPIBX; ZIPSAX; ZIPZAX; ZIPDBX) with approximately \$6.9 billion in portfolio equity and debt investments, announced the sale of Kingston at McClean Crossing, a 319-unit apartment community located in the suburb of McClean, VA, located 20 minutes northwest of Washington DC.

This disposition aligns with JLL Income Property Trust's long-term track record of harvesting gains and reinvesting capital into property sectors and markets that are better positioned for higher point forward returns. Acquired in 2021, the sale of this property supports the fund's recycling strategy targeting stronger properties positioned for better long-term growth.

"This property proved to be an excellent investment for us, providing outperformance counter to its broader market over our four-year hold period," said Allan Swaringen, President and CEO of JLL Income Property Trust. "This disposition was an opportunity for us to recycle capital at an attractive rate of return, increase our dry powder available for new investments, and redeploy into more core, stabilized assets during a new market cycle for real estate."

Over its 13-year history, JLL Income Property Trust has sold over 50 properties at values totaling over \$1.3 billion, in aggregate trading on an arms-length basis within 1% of the most recent independent appraised value, all the while utilizing an institutional, independent valuation methodology – a valuation practice unique from many others in the NAV REIT industry.

JLL Income Property Trust's allocation to residential investments remains significant after this disposition. At \$2.5 billion, investments in the residential sector across multifamily apartments and single-family rental homes comprise 38% of JLL Income Property Trust's \$6.9 billion diversified portfolio.

JLL Income Property Trust is an institutionally managed, daily NAV REIT that owns a growing portfolio of real estate investments selected by an institutional investment management team and sponsored by one of the world's leading real estate services firms.
