### JLL Income Property Trust Announces 4Q 2016 Portfolio Activities

- Acquired two properties in Q4 totaling over \$100 million, increasing total acquisitions for 2016 to 19 new property investments
- Maintained portfolio-wide occupancy at 95 percent
- Reduced overall leverage ratio to 35 percent at the end of 2016
- Paid dividends for twenty consecutive quarters with an average annualized dividend growth rate of 5.4 percent over that time period
- Raised \$176 million of new capital in Q4, bringing the 2016 total to approximately \$650 million
- Increased total annual revenues by 41 percent to \$132 million for 2016

**Chicago** (March 16, 2017) - JLL Income Property Trust, an institutionally managed daily NAV REIT (NASDAQ: [ZIPTAX](#); [ZIPTMX](#); [ZIPIAX](#); [ZIPIMX](#)) today announced the results of its execution on a number of strategic initiatives in the fourth quarter of 2016, improving on operational performance and acquiring assets to better position its portfolio of diversified core properties for future growth and enhancement of stockholder value.

During the fourth quarter of 2016, JLL Income Property Trust closed on two new acquisitions totaling over \$100 million, adding a 28-story premier apartment tower in Chicago and a fully leased Class A, state-of-the-art warehouse in the San Francisco Bay Area.

- **Apartments** - The acquisition of 180 North Jefferson Street, a 274-unit premier apartment tower in Chicago's dynamic West Loop for approximately \$96.5 million was the eighth multi-family apartment acquisition, bringing our aggregate Apartment portfolio investment to more than \$513 million. Apartments now represent 23 percent of the overall portfolio.
- **Industrial** - The acquisition of the third fully leased Class A, state-of-the-art warehouse at Pinole Point Distribution Center, located in the Bay Area suburb of Richmond, California was the 10th Industrial acquisition in 2016, and the 28th property investment we've made in the Industrial sector representing an investment of over \$525 million. Industrial properties now represent 23 percent of the overall portfolio.

“Our accomplishments in the fourth quarter and throughout 2016 reflect the strength of our vision and ability to execute on our strategic plan to position JLL Income Property Trust for continued and long-lasting growth with a diversified portfolio across multiple property types and geographic markets. In a time of increased uncertainty, these acquisitions, combined with our focus on operational excellence, continue to drive shareholder value,” said Allan Swaringen, President and CEO of JLL Income Property Trust.

In 2016, JLL Income Property Trust acquired 19 new properties growing the total asset value of its portfolio by 51 percent to approximately \$2.3 billion. Its 70-property portfolio is diversified by property type and provides investors access to institutional-quality retail, office, industrial and apartment investments.

JLL Income Property Trust is an institutionally managed, daily NAV REIT that gives investors access to a growing portfolio of commercial real estate investments selected by an institutional investment management team and sponsored by one of the world’s leading real estate services firms.
