

The TracJack, Single-mode, SC Simplex Adapters (1-Fiber), White Adapter Plate, has one blue simplex adapter, with ceramic alignment sleeves, mounted at a 45° exit angle to allow for proper fiber bend radius. This adapter panel is 2 units high. TracJack modules offer flexibility with structured cabling at the workstation or in furniture with a modular design and a wide variety of connectivity options. Intelligent engineering simplifies and speeds up moves, adds, and changes with a front removable design. Compatible With: All TracJack faceplates

## Features & Benefits

Snap-in module: Simple, secure installation.

Modular design: Flexibility in structured cabling system design.

Front removable: Facilitates quick moves, adds, and changes.
