

AMS-10 SERIES MINI SURFACE MOUNT CONTACT

- UL and ULC Listed
- Slim design for tight spaces
- 3/4" operating gap
- Alnico 5 magnet
- Available in white, brown, gray, or ivory
- Screw or 3M adhesive

Application

The AMS-10 Series Mini Surface Mount Contact is a UL Listed slim contact designed for tight spaces to accommodate hard to reach locations. The AMS-10 Series is available with side mount leads, center mount leads, or with terminals. This provides options for fitting multiple applications. These devices can be used to protect openings such as: man doors, sliding doors, windows, or any other opening that requires a small contact.
