

The Legrand® computer-guided manufacturing process assures that each rack meets exact dimensions, guaranteeing a self-squaring assembly. Made of top quality 6061-T6 structural grade aluminum, Legrand equipment racks provide strength and stability for years. Racks ship unassembled for efficient delivery and storage.

Features & Benefits

Durable construction: Constructed of 6061-T6 structural-grade aluminum	EIA standard: 3" x 1-1/4" channel uprights
#12-24 threaded EIA hole pattern: Compliant to mount numerous types of 19" panels and equipment.	Easy Installation: Self-squaring and self-supporting
Meets EIA-310 standards	Listed to the UL 2416 Standard for Communication Circuit Accessories
Includes 12-24 mounting screws	Equipped with standard 1/2" junctioning holes for securing multiple-rack lineup

Specifications

General Info

Product Line	Ortronics	Color	Black
Finish	Powder Coat	UPC Number	662875904137
Country Of Origin	United States	Included	Hardware for mounting
Application Sector	Commercial	Standard	UL 2416
Warranty Type	5-Year	Type	Rack

Dimensions

Product Width US	20.19 in	Product Depth US	3.0 in
------------------	----------	------------------	--------

Product Height US	108.0 in	Rack Depth	15 in
-------------------	----------	------------	-------

Additional Information

RoHS Compliant	Yes
----------------	-----

Technical Information

Rack Units	58 R U	Mounting Hole Type	Tapped
Mounting Rail Spacing	19 in	Load Capacity	750 lb
Cable Entry	Back, Front	Frame	Channel
Mounting	Floor
