

Mighty Mo 20 4-post racks fixed racks provide an economical mounting platform for switches and servers. Front and rear waterfalls allow for equipment patching and server patching. All styles of Mighty Mo 20 vertical managers can be mounted front or rear and airflow baffles can be mounted to manage the airflow of side breathing equipment.

Features & Benefits

Patented channel construction: Protects the performance of your horizontal cabling better than any other type of racking solution. Hex pattern on all rack sizes simplify cable routing.

Honeycomb side rails designed to maximize the airflow of network equipment: Combined with baffles, manages intake and exhaust air creating cold aisle/hot aisle distribution from side vented equipment.

Open channels top and bottom: Allows floor and ceiling access for horizontal distribution cables.

High density racking solution

Vertical management solutions: A solution for every application- cage with rack unit fingers & hinged slam latch door, cage with rack unit fingers & snap-on covers, cage with hinged latches, and individual cable management rings.

Built-in top trough with waterfalls: Gives bend radius control and cable routing.

Can be assembled as a 19" or 23" rack: No additional hardware required- no need to stock two sizes of racks.

Speed nuts included: Increases speed and ease of assembly, while adding extra strength to your rack-- Speednut eliminates the need for a second wrench.

Rack includes hardware kit, two packages of hook and loop D-style straps and 50 #12-24 equipment mounting screws: Do not have to purchase as separate items- money saving.

Specifications

General Info

Product Line	Ortronics	Color	Black
UPC Number	662875214847	Country Of Origin	United States
Application Sector	Commercial	Type	Rack

Dimensions

Product Width US	23.75 in	Product Weight US	52.18 lb
Product Depth US	40.0 in	Product Height US	86.0 in
Additional Information			
RoHS Compliant	Yes	Product Environmental Profile	Yes
