

Mighty Mo 20 Horizontal Cable Management Panels are available in 2RU and 4RU sizes. Fingers begin 3/4 in from the face of rack to provide bend limitation for cables, protecting cables, equipment and network performance. Included hinged cover mounts with six heavy duty clips allow them to be opened one handed without becoming “unhinged”. Manufactured from UL94V-0 rated plastic and designed to mount on any 19 in EIA style rack or cabinet.

Features & Benefits

Beautiful Legrand matched aesthetics	Heavy duty mounting clips ensures cover does not come “unhinged”
Mounts on standard 19 in EIA 2 and 4 post racks or cabinets	Available in 2 & 4 RU
Rugged yet flexible fingers safely transition cables from patch panels or active equipment to vertical managers	Compatible with tool-less snap-in MM20 Horizontal Manager Air Blocker —Filling open rack space where separation of cold air and hot air is required
Durable Aluminum	Mounting Screws Included
