## **How to Download Your Digital Product Files**

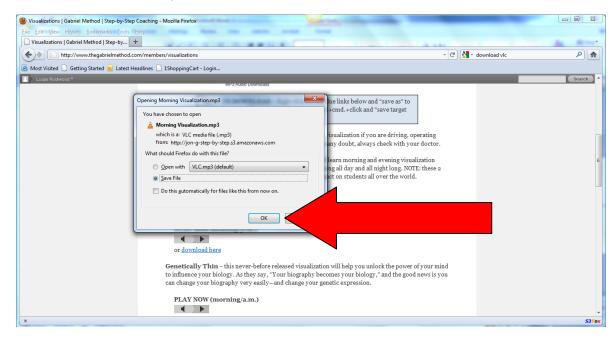

**Step 1:** Visit <a href="www.thegabrielmethod.com/members/">www.thegabrielmethod.com/members/</a>

NOTE: you'll need to use your login and password to access.

**Step 2:** Scroll down to the file you would like to download. Right click on the blue link that says "download here" and then select "save as". If you're on a Mac, please command + control + click, and then "save target as".

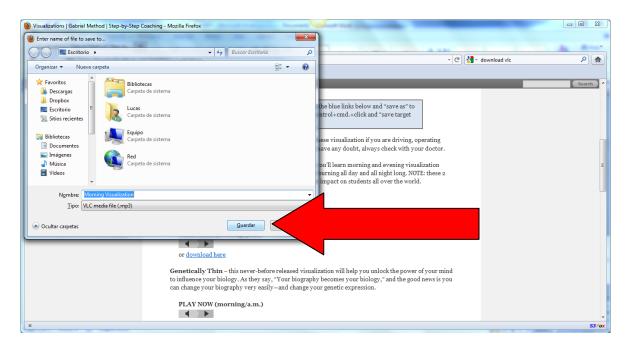

**Step 3:** A pop-up window will appear, giving you the option to either open the file or save it. Select "save file" and then press OK.

**Step 4:** Another pop-up window will appear, asking you where you would like to save the file. Choose a location on your computer (like your Desktop) and click Save.

**Step 5:** You can then open the files in any player you like including iTunes or Windows Media. For video files, we recommend using: <u>VLC PLAYER</u> It is free and will play any file on any computer.
