Opportunities for Safe Autumn Enjoyment Abound in Lancaster County, PA

(Lancaster, Pa.) There's still plenty of time for fall fun in Lancaster County PA, as our tourism properties are safe & open, with appropriate COVID health protocols and reminders in place for guests & employees alike.

Lancaster's long-time appeal is based not only on our good value, drive-ability, and diversity of offerings, but also especially on the **wide open spaces** that await visitors here:

- from our [parks & trails to recreational activities](#)
- and [farmers markets to roadside stands](#)
- and [outdoor-oriented wineries/breweries/dining](#)
- as well as our world-famous [Amish farmlands](#) and [covered bridge driving tours](#)

All of which are beautiful this time of year, as the autumn harvest comes in and the leaves begin to turn. Our **foliage season** runs primarily late September through early November, with the prime period covering the latter two weeks of October.

Take in socially-distanced versions of some of our **classic fall events** this year, including the mirth & merriment of the [Pennsylvania Renaissance Faire](#) (now thru 11/1), the delicious celebration that is the [Whoopie Pie Festival](#) (10/17), or the special [Thomas and Friends Train Rides](#) at Strasburg Rail Road (mid-Oct thru early Nov).

Harvest fun is in abundance at [Cherry Crest Adventure Farm](#) (now thru 11/7) – with its #1-rated corn maze & Pumpkin Madness Festival on 11/7 – as well as the homemade offerings & specialty shops of fall-favorite [Kitchen Kettle Village](#) and the bountiful pumpkins & other pickings at [Country Barn Farm Market](#).

There's **new options for food & drinks**, too, from the [Double C restaurant](#) and [Our Town Brewery](#) in Lancaster City to St. Boniface Craft Brewing's [Tied House](#) in Lititz. Another great area autumn tradition is enjoying a beverage in the outdoor Biergarten at [Bube's Brewery](#) in Mount Joy – the only U.S. brewery from the 1800s that has survived intact.

Want to **get your scare on**? Your haunting won't go wanting at [Field of Screams](#) or [Jason's Woods](#). For a little less maniacal fright, walk along with the [Ghost Tours of Lancaster or Strasburg](#), or ride along with a Spooky Scoot tour from [Strasburg Scooters](#).

With so much to do, visitors will need **at least one overnight**. Nestle into the AAA 4-Diamond and Forbes 4-Star rated [Inn at Leola Village](#) or enjoy the crisp, fresh air at one of our many [campgrounds](#). For a change of pace to your remote-based educational or occupational routine, try a school-cation at the new, one-of-a-kind [Cartoon Network Hotel](#), or a work-cation at one of our many B&Bs such as the [Historic Smithton Inn](#), which has just upgraded the entire property and all rooms with enhanced Wi-Fi and Smart HDTVs.

Lancaster County is a wonderful blend of urban style and rural splendor, with many rich cultures, from the Amish to the arts. Travelers can take in our vibrant downtown city life – with galleries, great dining, specialty shops, and live music – or explore surrounding towns and villages to get a sampling of the heritage, food, craftsmanship, and attractions for which Lancaster is famous.
