

Source Analysis Graphic Organizer

Source Title: _____

Source Author/Creator: _____

Source Date: _____

Instructions: In each box along the left-hand column (“Observation”), write one observation you have from the source. Then, consider why that observation might be important and how it can help us figure out the meaning of the source. Write that information in the right column.

Observation: What do you notice in the source?	Analysis: Why is this observation important? How can it help us figure out the meaning of this source?

Summarize your analysis of the source:
