

We've Got You Covered with Comfort

4 pack of non-medical reusable masks
Antibacterial
Water Repellant
Washable (10 washes)
Comfortable and easy to put on and take off

Whether you are opening your business or social distancing with co-workers, you can experience a better-quality product and much more comfort with EmergiMask. Made from tight weave Poly-spandex fabric.

We are based in Louisville, KY and have partnered with a trusted manufacturer of 20 years that retooled their factory in order to make facemasks. We at EmergiMask want to help you get out and about in a more protected, comfortable way.

These masks are not certified PPE or FDA-approved as medical masks but coincide with the CDC suggestions to wear facemasks when social distancing and joining the public.
