DESCRIPTION

The Utility Expo is the largest and fastest growing trade show in the utility industry, covering 30+ acres of indoor and outdoor exhibits. Utility professionals and construction contractors from around the nation and several countries representing utilities in electric transmission, electric distribution, telecom, natural gas, solar, water and wastewater. Attendees come together to learn from their peers, view the latest trends and live demo equipment.

The audience is predominantly male and includes c-suite executives to owner operators.

Formerly known as the International Construction Utility Equipment Exposition or ICUEE, tradeshow is a long-standing legacy event meeting in Louisville every other year since 1987.
