## Unit 1: Learning About God's Love

### Goals

Children learn to be aware of God the Father's love. They learn some ways in which God shows his love.

### Chapter 1: Welcomes Are Good

Children learn that God's Son, Jesus, welcomes and loves children. In turn, children welcome others and are made to feel welcome by others.

### Chapter 2: Names Are Good

Children learn that God calls each of them by name. They learn that names are important and that Jesus' name is holy. Children practice bowing their heads.

### Chapter 3: Stories Are Good

Children learn that the Bible is God the Father's holy book. During Mass, we hear God's story and God's Word. Children hear the story of Jonah, who ran from God but then was brought to a place where he would help people turn to God.

### Chapter 4: God's World Is Good

On a nature walk, children view creation as a gift of God's love. They learn that we praise God our Father for the goodness and love he shows in his creation.

Through the experience of blowing bubbles, children learn the value of silence. They learn to quiet themselves. They learn that the church is a place where they can feel especially close to God in quiet. They learn that the Three Persons of God form the Trinity.

### Chapter 6: Talking to God Is Good

Children reflect on verbal and nonverbal communication. They learn about prayer as talking with God our Father. They learn that there are many different ways to pray.

## Unit 2: Growing in God's Love

### Goal

Children learn to appreciate their uniqueness as a gift from God.

### Chapter 7: Families Are Good

Children think about their own families and then learn about the Holy Family. They learn that we belong to our human family and to God's family, the Church. God the Father is our Father, and we are brothers and sisters in the Church. We join God's family when we are baptized. Children learn the beginning of the Lord's Prayer.

### Chapter 8: I Am Good

Children learn that they are wonderful because God the Father made them. God loves each child as a person he made. God enables us to do wonderful things and to love his creation.

### Chapter 9: Growing Is Good

Children think about how all living things grow and that they are growing too, in their bodies and minds and in their faith. They learn that Baptism is a sacrament, a sign of God's love and grace. Jesus gave us the sacraments to help us grow in faith. At our Baptism, we are blessed with water and anointed with oil. Children learn more of the Lord's Prayer.
