We Give Love to Others

Everything God made is good. We treat God’s gifts carefully. We show we are grateful for his gifts.

Every person is a gift from God. We should respect others. We should be kind to everyone. Everyone is loved by God. The Fifth Commandment tells us to care for others.

Our bodies are made by God. They are holy. This is why we respect our bodies. The Sixth Commandment tells us to be respectful.

We are honest when we respect other people’s things. We do not take other people’s things. We are also careful when we use other people’s things. The Seventh Commandment tells us to be honest.

The Eighth Commandment reminds us to tell the truth. We hurt God and others when we lie. We tell the truth, even when it is hard.
