## With My Family

**Activity** Think of an organization of people who have made a choice to help others. Help this organization in whatever way you can.

**Ready for the Sacraments** Before a family meal, ask everyone to hold hands. Ask your family to imagine the love you have for one another flowing around the circle. Say a prayer that you will always remain connected to God and to one another.

**Family Prayer** *Dear God, help us make good, moral choices.*
