Ways of Being Like Jesus

Jesus served the community and encouraged others to take up their call to contribute to God's kingdom.

Participate in the Mass by reading, altar serving, or bringing up the gifts at Offertory.

Prayer

Jesus, thank you for giving us Mary as an example for following God's will. Help me follow her example and show God's love to others.

With My Family

Activity Have family members sit in a circle. Go around the circle and take turns naming one talent or gift that you admire in another family member. End by having everyone name one of his or her own talents. Then discuss ways you can each use your talents.

Faith on the Go Ask one another: *Name three strengths or talents you have. How can you use these talents to serve Jesus?*

Family Prayer *Dear Lord, help us follow Mary's example by putting our trust and faith in you. Guide us to use our talents to serve you better in this world.*
