

## Faith Summary

As Christians we are called to make moral choices that influence our relationships with God and others. We each have a conscience that helps us with the choices we make. The Word of God, the Gifts of the Holy Spirit, the advice of others, and the teachings of the Church form our consciences.

## With My Family

**Activity** Set aside time once a week to have a family meeting. Discuss personal experiences that family members have had during the week, especially those that deal with making moral choices. Work through problems together and offer suggestions for the future.

**Faith on the Go** Ask one another: *When have you had to make a difficult choice? How did you come to your decision?*

**Family Prayer** *Heavenly Father, the world offers us many choices. Help us know right from wrong. Give us strength to act as we should and stay close to you.*
