Ways of Being Like Jesus

Jesus accomplished his mission on earth. He devoted himself entirely to teaching about God and his kingdom. *Offer your talents and give service to the Church and the community to share in Jesus' mission.*

Prayer

Loving God, thank you for welcoming me into your community, the Church, through Baptism.

With My Family

Activity Talk with your family about your Baptism. Try to find some pictures or videos of the celebration. If you still have your baptismal candle, you might light it while you do this.

Faith on the Go Ask one another: *If I could be part of any ministry in our Church, what would it be? Why?*

Family Prayer *Dear God, thank you for the Church, our faith family. Help us live our baptismal promises and be active members in your kingdom on earth.*
