

Faith Summary

Christian life commits us to truth in deeds and words. Sin does not just harm us as individuals. It has negative effects on others and on society as a whole. The presence of sin helps explain why there are such things as war, prejudice, crime, and unfair treatment of others.

Words I Learned

detraction
slander

Ways of Being Like Jesus

Jesus used words to help and heal people.
Use kind words to help others see God's love.

Prayer

Jesus, thank you for showing me ways to use words for good.

With My Family

Activity Around the dinner table, play the game “What Would You Do?” Each family member presents a scenario in which each person responds how they would react in that situation. Discuss what options exist for each scenario and why some solutions are better than others.

Faith on the Go Ask one another: *When did someone's words hurt you? When did someone's words make you feel loved?*

Family Prayer *Dear Lord, help us remember to bless others with our words and in doing so to show our love for you.*
