FAITH CONNECTION

When we come together to celebrate the liturgy, we share the Body of Christ with one another. It is important that we share with others so that we are generous and loving people who are concerned about other people. The handprints that we will be making can show how, strengthened by the Eucharist, we can reach out to other people.

Directions:

1. Give each child a piece of paper, poster board, or felt.
2. Have the children trace both of their hands on the piece of paper, poster board, or felt.
3. Cut out the handprints.
4. Decorate the handprints, using markers or other materials. Children may write their favorite Bible verses or prayers on their handprints.
5. Encourage the children to reach out to other people and give their handprints to whomever they choose.
