FAITH CONNECTION

At the Last Supper, Jesus gave us the gift of the Eucharist. Strengthened by the Body and Blood of Jesus, we seek ways to nourish others physically and spiritually.

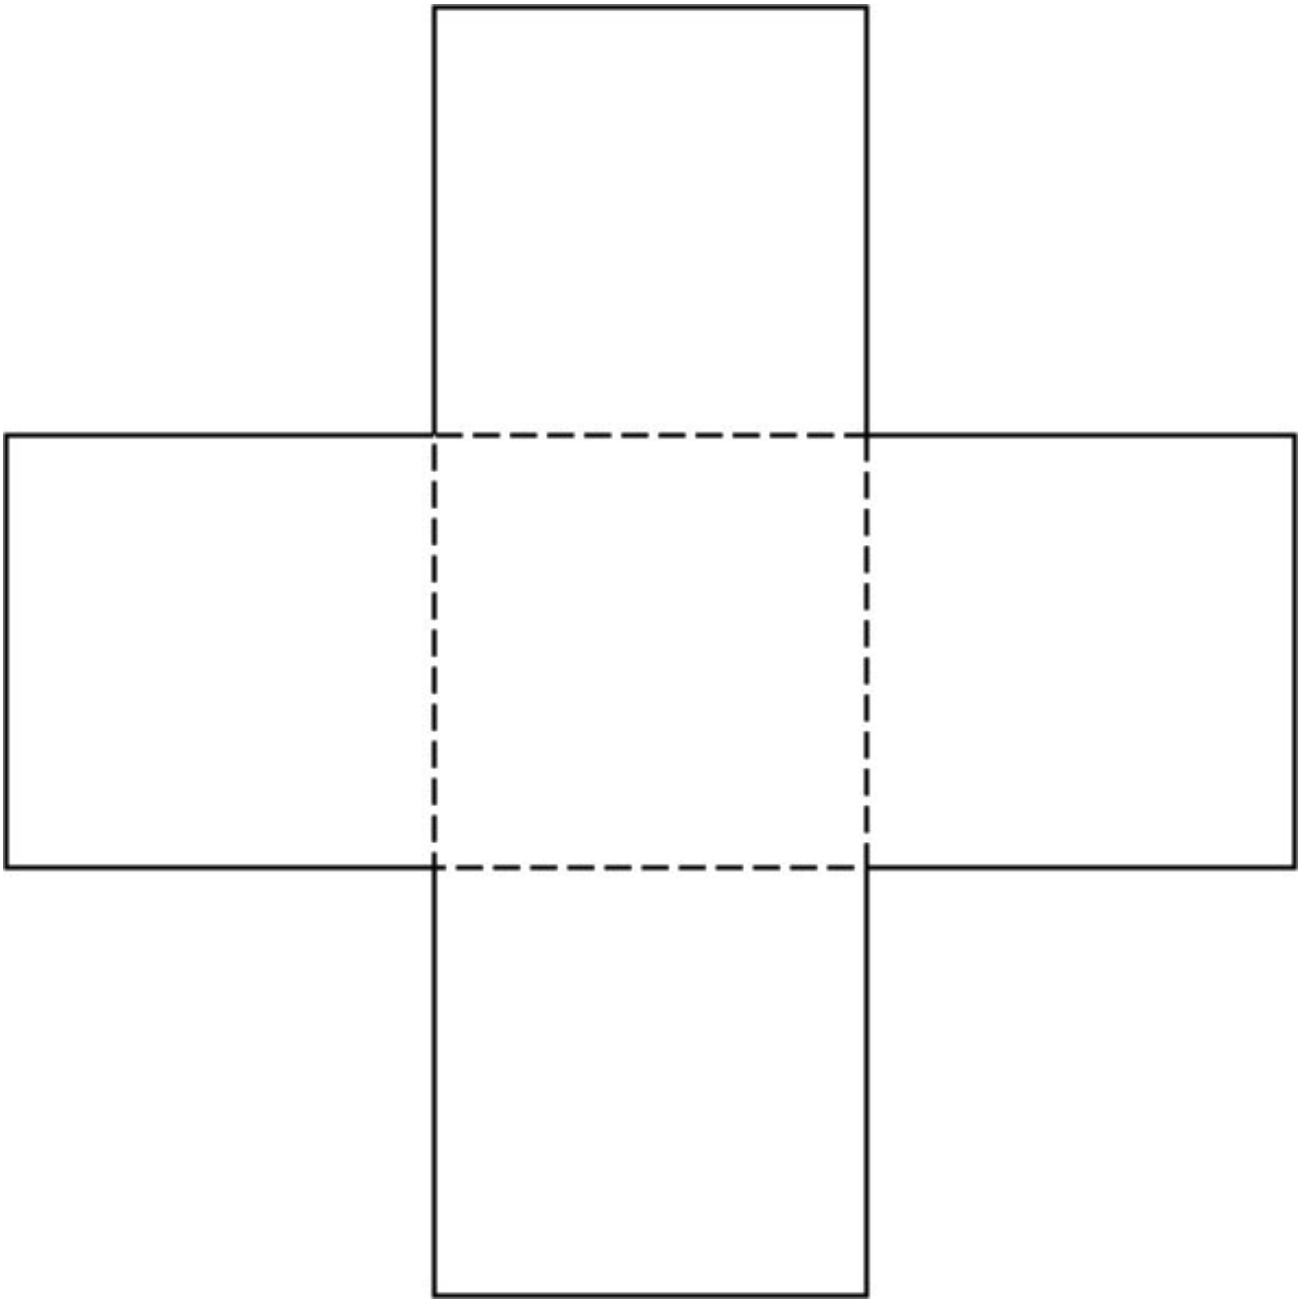

Before You Begin:

Make 2 block patterns for each child.

Directions:

1. Make a pattern for a block that resembles the one in the sketch. Dimensions may vary as long as the sections are square.
2. Trace the pattern twice on the poster board. Cut out the two pieces.
3. Decorate each side of one of the blocks with pictures that symbolize the Eucharist, the Last Supper, or ways people nourish each other spiritually and/or physically.
4. Fold up the outside sections of each piece. Glue the outside sections of the plain block inside the decorated half of the block.
