

The Old Rugged Cross

Materials:

Twigs, 2 for each child	Wire or masking tape
Brown yarn	

FAITH CONNECTION

Just as, in the Gospel story, the shepherd rescues the lost sheep and brings it back home, so too Jesus rescues us from sin by dying on the cross.

Directions:

1. Wire or tape two twigs together to form a cross.
2. Wrap twigs completely with brown yarn.

More Ideas for Crosses:

Fabric cross: Cut a scrap of fabric material into the shape of a cross. Glue the cross to a piece of poster board, burlap, or felt.

Wallpaper cross: Use old wallpaper sample books. Pick out a wallpaper design. (Small prints look fine.) Cut the wallpaper into the shape of a cross. Glue the cross to burlap, felt, or poster board.

A Bible verse could be added to any of the crosses by gluing it to the bottom or top of the cross.
