

## Card-Making Activity Center

### *Leader Instructions*

In this activity center, we will create thank-you cards to give to the people who taught us to know and love Jesus.

- ✦ Choose one person for each card you make: a parent, grandparent, godparent, special teacher, or friend.
- ✦ Decorate the front of the card using the art supplies provided.
- ✦ On the inside of the card, you can add the person's name, write a short note, or draw a picture.
- ✦ Sign your name when you have finished designing your card.
