

Holy Spirit Necklace

Grades 1–5

Materials:

Poster board dove (with hole punched), 1 per student (see page 100)	Shirt, smock, or apron to protect clothing
Twine	Newspapers
Acrylic or tempera paint	Felt-tip pens, markers and/or crayons
Small brushes	

FAITH CONNECTION

Say the prayer “Come Holy Spirit, fill the hearts of the faithful and renew the face of the earth.” Remind the students to wear the necklace they will be making as a sign to others that they share God’s life-giving Spirit. As they care for others, they will be renewing the face of the earth.

Before Class:

For the younger students, print the words “Renew the face of the earth” on the dove.

Directions:

1. Cover the tables with newspapers. Have the students wear protective shirts.
2. Have the students write the words “Renew the face of the earth” very carefully on the dove.
3. Let the students decorate their doves with paint. They may also use felt-tip pens or crayons.
4. Push the twine through the hole and make a knot. Use a length of twine 18" to 20" as the “chain” for the necklace.
