HOW YOU CAN RENEW THE

Church!

Join us for a six-week program reading, reflecting on, and discussing *Start with Jesus: How Everyday Disciples Will Renew the Church*.

Start with Jesus is a book about people, process, and culture that aims to help regular people be transformed from the inside out and become leaders in our community. Whether you're looking to be inspired or how to make mission-oriented changes within our parish community, author Julianne Stanz's book provides the insight and practical tips to do both and more.
