## INTERMEDIATE C++ DEVELOPER - LICENSING & INSTALLATION (M/F/D)

at Maxon Computer Inc. in Montreal, Canada

### WHO WE ARE:

Maxon is a developer of professional 2D/3D digital content creation solutions. In January 2020, Maxon and Red Giant closed a merger of the two companies. The combined company's award-winning Cinema 4D, Redshift 3D and Red Giant products have been used extensively to help create and render everything from stunning visual effects in top feature films, TV shows and commercials, cutting-edge game cinematics for AAA games, as well as for medical illustration, architectural and industrial design applications.

As Software Developer, you'll be joining our Licensing & Installation team where you'll help us drive the development of our motion graphics, color correction, compositing, and visual effects product suites. Take a look at what the team has been up to recently:

- [Magic Bullet Suite](#)
- [Trapcode Suite](#)

### WHAT YOU WILL DO:

You'll be leading the development of technology and applications used to license and deliver our class leading 2D and 3D products to creative professionals. You'll help the team develop build pipelines and continuous integration workflows. As you get involved with the teams and projects, your role would evolve towards creating and maintaining our products for video host applications

### WHAT WE ARE LOOKING FOR:

- At least 5 years of experience as a C/C++ and JavaScript developer
- Native Mac and Windows development experience
- Experience with network programming (HTTPS, REST API, OAuth2, JWT)
- Experience with systems-level programming
- Modern HTML5 application development experience: Nodejs, Vue.js, ES6
- Experience implementing user interfaces
- Ability to work collaboratively across teams and work in a virtual team environment
- Fluent in written and spoken English and are able to clearly communicate ideas and technical knowledge
- You have interest in UI development using modern HTML frameworks
- You have experience in planning, grooming, daily stand-ups, reviews, and retrospective meetings

### WHAT WE OFFER:

You will be given a permanent full-time contract with perspective at our office in Montreal (Canada). You will be part of a highly motivated international team of specialists and will work in an environment that offers a wide range of individual development possibilities. Interested in joining our team? Then send us your electronic CV (.pdf), expected salary, and your earliest starting date. We're looking forward to hearing from you!

Maxon is proud to be an equal opportunity workplace.
