MOBILE DEVELOPER IOS (M/F/D)

at Maxon Computer GmbH in Friedrichsdorf (metropolitan area Frankfurt/Main), Germany, Montreal (Canada), Newport Beach or Newbury Park (both California, USA)

WHO WE ARE:

Maxon is a developer of professional 3D modeling, painting, animation and rendering solutions. The award-winning Cinema 4D, Redshift 3D and Red Giant products have been used extensively to help create and render everything from stunning visual effects in top feature films, TV shows and commercials, cutting-edge game cinematics for AAA games, as well as for medical illustration, architectural and industrial design applications.

To help us meet future challenges we are looking for Mobile Developer iOS (m/f/d) to join our growing team.

WHAT YOU WILL DO:

- Develop and maintain Cinema 4D companion apps for mobile platforms
- Port existing frameworks to mobile platforms
- Take part in prototype development and help to drive our mobile strategy
- As a part of the development team work closely with quality engineers, product managers and UX designers

WHAT WE ARE LOOKING FOR:

- A minimum of 3 years of practical experience in developing native iOS Apps
- Deep understanding and proficiency in building mobile apps from scratch
- Solid experience building iOS apps in Objective-C and Swift
- Solid experience with native iOS frameworks and tools
- Working knowledge in mobile UI/UX standards
- Experience with Computer Graphics
- You are a dependable team player who enjoys working in an international team
- You have good communication skills and good English-language skills
- You are self-motivated and comfortable working independently on complex tasks

DESIRABLE SKILLS AND EXPERIENCE:

- Solid knowledge of Metal and a high degree of proficiency in modern C++ (11 or higher)
- Experience in building 3D and/or Realtime Apps in iOS
- Experience with multiple platforms
- Hands-on Experience with performance profiling and optimizations

WHAT WE OFFER:

You will be given a permanent full-time contract with perspective at our headquarters in Friedrichsdorf (just north of Frankfurt/Main), Germany, Montreal (Canada), Newport Beach or Newbury Park (both California, USA). You will be part of a highly motivated international team of specialists and will work in an environment that offers a wide range of individual development possibilities. Interested in joining our team? Then send us your electronic CV (.pdf), expected salary, and your earliest starting date. We're looking forward to hearing from you!

Maxon is proud to be an equal opportunity workplace.
