## SOFTWARE DEVELOPMENT MANAGER - EXCHANGE TEAM (M/F/D)

at Maxon Computer GmbH in Friedrichsdorf (metropolitan area Frankfurt/Main, Germany), Maxon Computer Inc. in Montreal (Canada)

### WHO WE ARE:

Maxon is a developer of professional 2D/3D digital content creation solutions. Our powerful and intuitive software products help creators in 2D and 3D design, motion graphics, visual effects and visualization to supercharge their creative workflows. Maxon's innovative portfolio includes the award-winning 3D modeling, simulation and animation suite Cinema 4D, the acclaimed lineup of Red Giant tools for editing, motion design and filmmaking, and the high-end production Redshift rendering solutions.

Maxon is seeking a Software Development Manager (m/f/d) to join our Engineering team.

### WHAT YOU WILL DO:

- Directly manage engineers, providing feedback and guidance
- Work closely with product managers to define project objectives, roadmap planning, identifying risks with mitigation plans, and discover the best solutions for our customers
- Coach and guide the team on agile methodologies
- Determine the need for training and talent development; set and review professional development goals
- Grow a team, both through internal development and external hiring
- Operate within a distributed team, collaborating with colleagues around the world

### WHAT WE ARE LOOKING FOR:

- Proven track record of leading highly-skilled software engineering teams
- Experience developing and executing a software roadmap
- 3+ years of experience as a software developer
- Excellent written and verbal communication skills with the ability to present complex technical information in a clear and concise manner to a variety of audiences
- Bachelor's degree in Computer Science, Computer Engineering or related technical discipline
- Experience in the 3D industry and ideally working knowledge of Cinema 4D
- Experience with After Effects, Unreal or Unity

### WHAT WE OFFER:

You will be given a permanent full-time contract with perspective at our headquarter in Friedrichsdorf (just north of Frankfurt/Main), Germany, or at our office in Montreal (Canada). You will be part of a highly motivated international team of specialists and will work in an environment that offers a wide range of individual development possibilities. Interested in joining our team? Then send us your electronic CV (.pdf), expected salary, and your earliest starting date. We're looking forward to hearing from you!

Maxon is proud to be an equal opportunity workplace.
