

## DOUBLE ROLL CRUSHERS

### IMPORTANT INFORMATION:

**McLANAHAN CORPORATION** recommends that you keep certain replacement parts at your facility. These parts will be available in the event of a breakdown and will also be available to perform any repairs that must be made as a result of regularly scheduled maintenance checks. **McLANAHAN CORPORATION** stocks a wide variety of commonly used components; however storing these parts at your facility will eliminate the expense of air-freighting critical parts that may be required during a breakdown situation. Contact the Parts Department at **McLANAHAN CORPORATION** for price and availability of all parts for your McLanahan equipment.
