Installation

This section will guide you on how to install the rotating hand strap of your tablet.

Installing the Rotating Hand Strap

To install the rotating hand strap, follow the steps below:

1. Remove the 2 screws from the corner at the back of the device. Align the strap bracket (A) with the notch facing out.
2. Use the removed screws to mount on the strap bracket. Repeat the steps to complete all 4 corners of the tablet.
3. Insert the steel loop into each of the 4 corner straps.

4. Insert the steel loop into each of the 4 corner straps.

5. Hook the steel loops of the rotating hand strap on the corner brackets and tighten the corner straps.
6. Move your hand inside the (B) part of the rotating hand strap.

7. Fix the rotating hand strap firmly so that the tablet does not come off, when turning/moving the device.

- 8. Adjust the cinch strap of the rotating hand strap.
- 9. Lift the end of the rotating hand strap.
- 10. Fix the cinch strap accordingly to turn it into a kickstand.
