About Enduring Faith® Religion Curriculum

This line of curriculum balances biblical literacy and life application in each lesson. It includes 70 lessons divided across eight units to cover the scope of the Bible. This aligned format allows students to learn the same overarching Bible narratives across different grade levels, using spiraled reinforcement. Each level has a designated Teacher Guide, and each grade level from Preschool through Grade 8 has a Student Book.

Additional Benefits:

- Lesson customization, including Lesson Support, Lesson Extenders, and Unit Extenders
- Digital tools, including teacher devotions, family notes, and videos
- Integrated Lutheran religion standards for a lifetime of growing in Christian discipleship

New! Teacher Training Platform

Teachers, administrators, and leaders in Lutheran education have expressed a need for accessible training and professional development for teachers. We are pleased to launch a platform to help meet this need, supporting those who serve in Lutheran schools and, in turn, elevating students' experiences in learning the faith.

Courses are intended for all teachers in Lutheran schools, regardless of training and experience. All-access web courses require no real-time attendance, so they easily fit into teachers' schedules.

COURSES AVAILABLE IN APRIL 2026

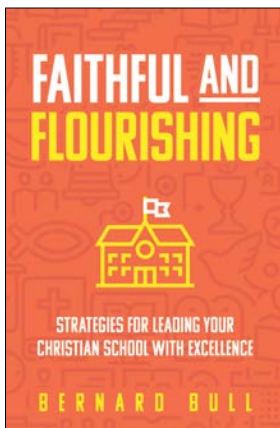

- Foundational Lutheran Teachings
- Lutheran Difference
- Cultural Apologetics

Forthcoming courses include Lutheran Classroom Distinctives, LCMS History and Roles, and Lutheran Academic Standards.

Learn more and sign up your school at cph.org/teachertraining.
