HAVE YOU TASTED THAT THE LORD IS GOOD?

- Knowledge = faith

“Thus there is a difference between having an opinion that God is holy and gracious, and having a sense of the loveliness and beauty of that holiness and grace. There is a difference between having a rational judgment that honey is sweet, and having a sense of its sweetness. A man may have the former, that knows not how honey tastes; but a man can’t have the latter unless he has an idea of the taste of honey in his mind.”
