SERMON APPLICATION GUIDE

The Radical Road of Discipleship | Luke 9:21-27

WORSHIP, WALK, WORK, & WITNESS - Let's Disciple Each Other

As we meet, how can we help each other grow in these 4 Ws and into greater spiritual maturity?

1. BIG GROUP TIME

1. Read Luke 9:21-27 together and pray.
2. Seek to begin your time with worship: Start the group together doing the exercise Brock gave us to put Luke 9:23 on a sheet of paper. It's the hub. Then draw lines coming off the hub pointing to different roles you have and decisions you are making. What are the different areas of your life this verse impacts?
3. Have a couple volunteers share things they are learning through this exercise.
4. What might radical self-denial cost us?
5. Walking the discipleship road is difficult. We need help to do it well. Leaders, please read the document you were emailed which explains more about Freedom Groups.

2. BREAK OUT TIME

1. Are there any ways you might subconsciously be anticipating that your road will look different from Jesus' road?

3. DISCIPLESHIP TIME IN 3'S (2'S IF NEEDED)

1. In full transparency, is there anything you feel unwilling to give up in order to follow Jesus faithfully? Pray for one another to truly live open-handed before the Lord.
2. What is one thing you want accountability in to deny yourself of as you follow Jesus? Make sure you follow up with each other.
3. What is especially hard right now as you follow Jesus? Encourage each other and pray for each other.
4. How is your next step going? In light of last week - any progress with the particular mission field the Lord has given you?

LOOKING AHEAD

Luke 9:28-48

Read next week's passage ahead of time and ask:

What does it say? What does it mean? How should I respond?
