

# HOSANNA IMPACT TRIPS

## Baja California, Mexico Impact Trip

**October 17-23, 2026**

\*Dates may change depending on airfare\*

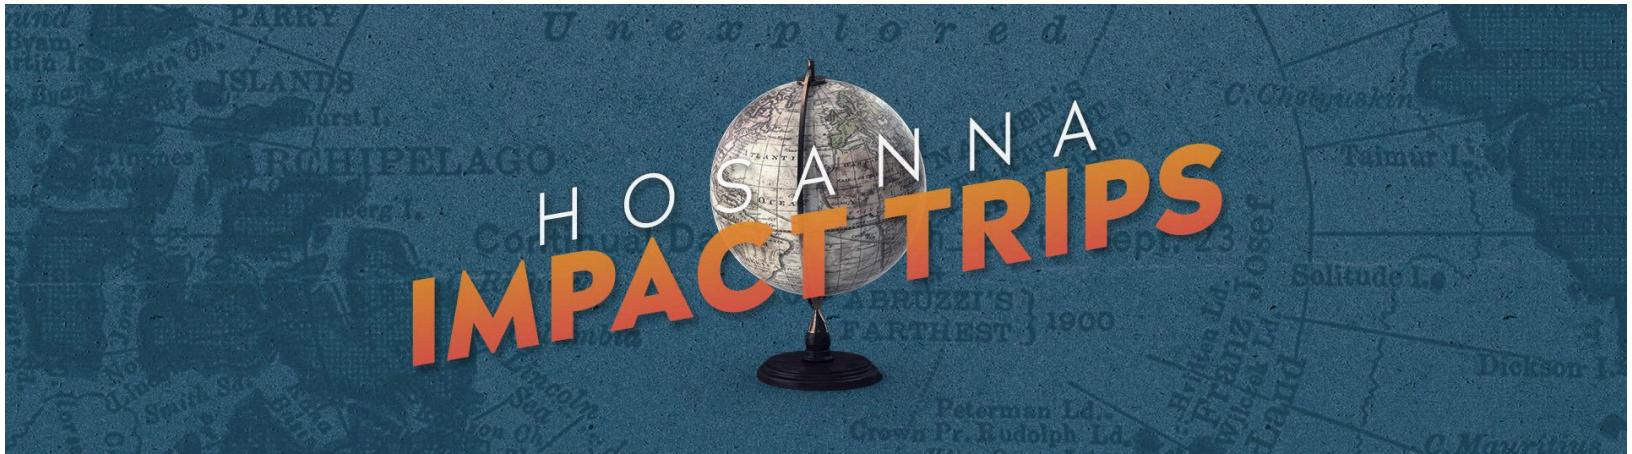

### About

In partnership with [Praying Pelican Missions \(PPM\)](#), this Hosanna Impact Trip (men and women ages 18+) will serve in Baja California, Mexico. PPM currently partners with churches in 22 countries, including more than a dozen U.S. cities, with a focus on connecting churches with one another locally, nationally, and globally to show and share the love of Jesus with people in need.

PPM will connect this team with local churches and ministries in and around Baja California, Mexico, to serve together through various activities such as youth events, sharing the Gospel, small-to-medium service projects, and more. Training for all activities will be provided by Hosanna and PPM before and during the trip. Specific service locations and opportunities will be finalized by PPM as the trip approaches, based on the highest needs and the team's skills.

This team will fly from MSP to SAN, where secure ground transportation (1-2 hour drive with stops along the way) will take the team across the border into Mexico to the final destination.

All trip participants will consult medical professionals for their medical needs to participate on this trip (vaccinations, physical demands, medications, etc.). Trip Leaders will provide some general guidelines for consideration with medical professionals.

# HOSANNA IMPACT TRIPS
