Total THC per Container: 486.54 mg

The product represented has been tested by HiRes Labs using analytical instrumentation with proven and validated scientific methodologies compliant with Texas Department of State Health Services (DSHS) guidelines. The results in this COA apply only to the lot sampled, tested and described herein as tracked by State contract system. HiRes Labs makes no claims as to the efficacy and/or safety of the product represented herein. This Certificate of Analysis may not be reproduced except in full without the express written consent of HiRes Labs. All quantitative measurements reported herein have a measurement uncertainty calculated internally and is available upon requested, comprehensive of estimated errors from the Sampling SOP utilized.
