

## 2026 STATE LEGISLATIVE AGENDA

### COMMUNITY VITALITY

1. Support regulations that protect businesses' ability to make decisions for their employees and customers.
2. Encourage performance-based state and local incentive programs that keep Tennessee competitive and deliver clear returns on investment.
3. Encourage qualified appointments to state regulatory bodies.
4. Advocate for policies that support infrastructure, including energy.
5. Support public policies that increase the supply of housing.
6. Advocate for the good fiscal health of State government.
7. Encourage cooperation between the State and local governments.

### COMMUNITY MOBILITY

1. Advocate for policies that grow Tennessee's skilled workforce through apprenticeships, work-based learning, quality credentials, and veteran hiring.
2. Advocate for policies that increase access to affordable, high-quality childcare, early education, and eldercare.
3. Encourage evidence-based policies that improve outcomes of workforce and education programs.
4. Advocate for regional transportation solutions. Support health care access and affordability.

### COMMUNITY CHARACTER

1. Support policies that protect community character.
2. Advocate for State and regional collaboration to find sustainable solid waste management solutions.
3. Support public policies that ensure the safety of our communities.
