### **2.1. DOWNLOADABLE DOCUMENT**

Bidders that download a bid solicitation from the City of Chicago's website: <http://egov.cityofchicago.org/procurement>, instead of obtaining the hard copy paper bid solicitation from the City of Chicago's Bid and Bond Room, is responsible for checking the City of Chicago's website for clarifications and/or addenda. Failure to obtain clarifications and/or addenda from the City's website will not relieve the bidder from being bound by any additional terms and/or conditions in the clarification and/or addenda. The City will not be responsible for a bidder's failure to consider additional information contained therein in preparing the bid.

Note: Multiple clarifications and/or addenda may be issued in which the bidder is responsible for obtaining.

If the bid solicitation was downloaded from the City of Chicago's website instead of picking it up in a hard copy paper form from the City of Chicago's Bid and Bond Room, the bidder MUST contact the City of Chicago, Department of Procurement Services, Bid and Bond Room at 312-744-9773 or by faxing a copy of a business card (include e-mail address, Specification Number and RFQ Number) to 312-744-5611 to register your company as a document holder for this bid solicitation.

Any harm to the bidder resulting from such failure to obtain all necessary documents will not be valid grounds for a protest against award(s) made under this bid solicitation.

### **2.2. BID DEPOSIT**

Bid deposit will be required for all competitive sealed bidding for contracts when required in the legal advertisement. Bid deposit must be a bond provided by a surety company authorized to do business in the State of Illinois, or the equivalent in a cashier's check, money order or certified check. All certified checks must be drawn on a bank doing business in the United States, and must be made payable to the order of the City of Chicago. CASH IS NOT AN ACCEPTABLE FORM OF BID DEPOSIT.

Bid deposits must be in the amount shown in the advertisement or as may be prescribed herein, but not in excess of ten percent (10%) of the bid. Where the amount of the bid deposit shown in the advertisement should prove to be more than ten percent (10%) of the bid, then the bidder may submit, in lieu of the foregoing, an amount equal to ten percent (10%) of the bid. Compliance with the provisions herewith will be determined in all cases by the Chief Procurement Officer and his determination will be final.

When the legal advertisement requires a deposit, noncompliance requires that the bid be rejected unless it is determined that the bid fails to comply in a non-substantial manner with the deposit requirements.

After bids are opened, deposits will be irrevocable for the period specified herein. If a bidder is permitted to withdraw its bid before award, no action will be taken against the bidder or the bid deposit.

### **2.3. RETURN OF BID DEPOSIT**

The bid deposit of all except the two lowest bidders on each contract will be returned shortly after the bid opening. The Chief Procurement Officer reserves the right to hold all bid deposits, if the intent is to award multiple contracts for a requirement and/or if the two lowest responsible bidders can not be readily determined based on price until all proposals have been evaluated.

The remaining bid deposits on each contract will be returned with the exception of the accepted bidder, after the Chief Procurement Officer has awarded the contract. The bid deposit of the accepted bidder will be returned after the contract has been awarded and a satisfactory performance bond has been approved, where such bond is required.

## **2.4. PREPARATION OF PROPOSAL**

Bidder must prepare its proposal on the attached Proposal Page(s). Unless otherwise stated, all blank spaces on the proposal page or pages, applicable to the subject specification, must be correctly filled in. Where proposals are sent by mail to the Chief Procurement Officer, the bidders are responsible for their delivery to the Chief Procurement Officer before the advertised date and hour for the opening of bids. If the mail is delayed beyond the date and hour set for the bid opening, proposals thus delayed will not be accepted.

Proposals must be submitted with original signatures in the space provided on the appropriate Proposal Execution Page. Proposals not properly signed shall be rejected.

## **2.6. WITHDRAWAL OF PROPOSALS**

Bidders may withdraw their proposals at any time prior to the time specified in the advertisement as the closing time for the receipt of bids. However, no bidder will withdraw or cancel his proposal for a period of sixty (60) calendar days after said advertised closing time for the receipt of proposals nor must the successful bidder withdraw or cancel or modify his proposal after having been notified by the Chief Procurement Officer that said proposal has been accepted by the City. The City reserves the right to withhold and deposit, as liquidated damages and not a penalty, the bid deposit of any bidder requesting withdrawal, cancellation or modification of its proposal prior to the stated period for acceptance of proposal.

The Chief Procurement Officer reserves the right to refuse to award a contract to any person, firm or corporation that is in arrears or is in default to the City of Chicago upon any debt or contract, or that is a defaulter, as surety or otherwise, upon any obligation to said City, or had failed to perform faithfully any previous contract with the City.

The bidder, if requested, must present within a reasonable time, as determined by the Chief Procurement Officer, evidence satisfactory to the Chief Procurement Officer of performance ability and possession of necessary

facilities, pecuniary resources and adequate insurance to comply with the terms of these specifications and contract documents.

## **2.8. CONSIDERATION OF PROPOSALS**

The Chief Procurement Officer reserves the right to reject any or all proposals and to disregard any informality in the bids and bidding, when in his opinion the best interest of the City will be served by such action.

The proposal is contained in these contract documents and **MUST NOT BE DETACHED HERE FROM** by any bidder when submitting a proposal. Incomplete proposals are subject to rejection.

## **2.9. ACCEPTANCE OF PROPOSALS**

## **2.10. PERFORMANCE BOND**

When required by the Chief Procurement Officer, the successful bidder or bidders must, within seven (7) calendar days of receipt of notice from the City, furnish a yearly re-newable Performance Bond in the full amount of no less than ten percent (10%) of the awarded contract value on Form P.W.O. 62, a specimen of which is bound herein.

Receipt of written notice from the City to furnish a Performance Bond constitutes tentative notice of pending award and proposal acceptance. Release of the Contract will be withheld pending receipt and approval of a satisfactory Performance Bond.

Attention is called to the provisions of Section 5/8-10-13 of the Illinois Municipal Code and to the provisions of Chapter 2-92 of the Municipal Code of Chicago.

## **2.11. FAILURE TO FURNISH BOND**

In the event that the bidder fails to furnish the requested Performance Bond in the said seven (7) calendar days period, the bid will be rejected and the bidder deemed non-responsive and disqualified from award of contract.

## **2.12. INTERPRETATION OF CONTRACT DOCUMENTS**

If any person contemplating submitting a proposal is in doubt as to the true meaning of any part of the specifications or other contract documents, a written request for an interpretation thereof, may be submitted to the Chief Procurement Officer. The person submitting the request will be responsible for its prompt delivery. Any interpretation of the proposed documents will be made only by an addendum duly issued by the Chief Procurement Officer. A copy of such addendum will be faxed, electronically mailed, mailed or delivered to each person receiving a set of such contract documents and to such other prospective bidders as shall have requested that they be furnished with a copy of each addendum. Failure on the part of the prospective bidder to receive a written interpretation prior to the time of the opening of bids will not be grounds for withdrawal of proposal. Bidder will acknowledge receipt of each addendum issued in the space provided on proposal page. Oral explanations will not be binding.

## **2.13. PRICE LISTS / CATALOGS**

For bid evaluation purposes, the bidder will submit with its bid three (3) copies of price lists/catalogs when quoted on the Proposal Page(s). Failure to furnish price lists may be cause for rejection of the bid for being non-responsive to this requirement.

Before a contract can be awarded, the Contractor must submit copies of all current manufacturers or other accepted published price lists/catalogs indicated on the Proposal Page for use by the Department of Procurement

Services, Comptrollers Office and each participating department to facilitate audit of all invoices and sub-orders off the contract. The Contractor will be responsible for forwarding new price lists or supplements of latest revision to all participating City departments, the Comptrollers Office and Department of Procurement Services during the contract period.

All pricing will be governed by the latest editions or supplements to manufacturer's published price lists/catalogs unless specified otherwise on the Proposal Page. ## **2.17. NON-DISCRIMINATION**

### **A. Federal Requirements**

It is an unlawful employment practice for the Contractor (1) to fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to his compensation, or the terms, conditions, or privileges of his employment, because of such individuals race, color, religion, sex, age, handicap or national origin; or (2) to limit, segregate, or classify his employees or applicants for employment in any way which would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect his status as an employee, because of such individuals race, color, religion, sex, age, handicap or national origin.

Contractor must comply with The Civil Rights Act of 1964, 42 U.S.C. sec. 2000 et seq. (1988), as amended. Attention is called to: Exec. Order No. 11,246, 30 Fed. Reg. 12,319 (1965), reprinted in 42 U.S.C. 2000(e) note, as amended by Exec. Order No. 11,375, 32 Fed. Reg. 14,303 (1967) and by Exec. Order No. 12,086, 43 Fed. Reg. 46,501 (1978); Age Discrimination Act, 42 U.S.C. sec. 6101-6106 (1988); Rehabilitation Act of 1973, 29 U.S.C. sec. 793-794 (1988); Americans with Disabilities Act, 42 U.S.C. sec. 12102 et seq.; and 41 C.F.R. Part 60 et seq. (1990); and all other applicable federal laws, rules, regulations and executive orders.

#### **B. State Requirements**

Contractor must comply with the Illinois Human Rights Act, 775 ILCS 5/1 - 101 et seq. (1992), as amended and any rules and regulations promulgated in accordance therewith, including, but not limited to the Equal Employment Opportunity Clause, 44 Ill. Admin. Code '750 Appendix A. Furthermore, the Contractor must comply with the Public Works Employment Discrimination Act, 775 ILCS 10/0.01 et seq. (1992), as amended; and all other applicable state laws, rules, regulations and executive orders.

#### **C. City Requirements**

Contractor must comply with the Chicago Human Rights Ordinance, Ch. 2-160, Section 2-160-010 et seq. of the Chicago Municipal Code (1990), as amended; and all other applicable municipal code provisions, rules, regulations and executive orders. Further, Contractor must furnish or shall cause each of its subcontractor(s) to furnish such reports and information as requested by the Chicago Commission on Human Relations.

### **2.18. INDEMNITY**

Contractor must defend, indemnify, keep and hold harmless the City, its officers, representatives, elected and appointed officials, agents and employees from and against any and all losses, including those related to:

- 1) injury, death or damage of or to any person or property;
- 2) any infringement or violation of any property right (including any patent, trademark or copyright);
- 3) Contractor's failure to perform or cause to be performed Contractor's covenants and obligations as and when required under this Contract, including Contractor's failure to perform its obligations to any subcontractor;

**"Losses"** means, individually and collectively, liabilities of every kind, including Losses, damages and reasonable costs, payments and expenses (such as, but not limited to, court costs and reasonable attorneys' fees and disbursements), claims, demands, actions, suits, proceedings, judgments or settlements, any or all of which in any way arise out of or relate to Contractor's breach of this Contract or to Contractor's negligent or otherwise wrongful acts or omissions or those of its officers, agents, employees, consultants, subcontractors or licensees.

At the City Corporation Counsels option, Contractor must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, but the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Contractor of any of its obligations under this Contract. Any settlement must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

To the extent permissible by law, Contractor waives any limits to the amount of its obligation to indemnify, defend or contribute to any sums due under any Losses, including any claim by any employee of Contractor that may be subject to the Workers Compensation Act, 820ILCS305/1 et seq. or any other related law or judicial decision (such as, Kotecki v. Cyclops Welding Corporation, 146 Ill. 2nd 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code or any other statute or judicial decision.

The indemnities in this section survive expiration or termination of this Contract for matters occurring or arising during the term of this Contract or as the result of or during the Contractor's performance of service beyond the term. Contractor acknowledges that the requirements set forth in this section to indemnify, keep and save harmless and defend the City are apart from and not limited by the Contractor's duties under this Contract, including the insurance requirements set forth in the Contract.

  - c) the Contractor must pay its Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "Base Wage") for all work performed pursuant to the Contract.
- 2) The Contractor's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the Contract term when the conditions set forth in A.1 and A.2 above are met, and will continue thereafter until the end of the Contract term.
  - 3) As of July 1, 2009 the Base Wage is \$11.03 per hour. Each July 1st, thereafter, the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four (4) as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four (4) divided by two thousand (2000) hours or the current base wage, whichever is higher. At all times during the term of this Contract, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for work or services done under this Contract, and the prevailing wages for Covered Employees are higher than the Base Wage, then the Contractor must pay the prevailing wage rates.
  - 4) The Contractor must include provisions in all subcontracts requiring its subcontractors to pay the Base Wage to Covered Employees. The Contractor agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by the Contractor or by a subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit the Contractor and/or subcontractors to verify compliance herewith. Failure to comply with the requirements of this Section will be an event of default under this Contract, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to three (3) years.
  - 5) Not-for-Profit Corporations: If the Contractor is a corporation having Federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of Section A through D above do not apply.

## **2.20. SUBLETTING OR ASSIGNMENT OF CONTRACT OR CONTRACT FUNDS**

No contract will be assigned or any part of the same sub-contracted without the written consent of the Chief Procurement Officer; but in no case will such consent relieve the Contractor from his obligations, or change the terms of the contract.

The Contractor must not transfer or assign any contract funds or claims due or to become due without the written approval of the Chief Procurement Officer having first been obtained.

The transfer or assignment of any contract funds either in whole or in part, or any interest therein, which will be due or to become due to the Contractor, will cause the annulment of said transfer or assignment so far as the City is concerned.

## **2.21. SUBCONTRACTORS**

The Contractor must notify the Chief Procurement Officer, in writing, of the names of all subcontractors to be used and will not employ any that the Chief Procurement Officer may object to.

The Contractor will not subcontract any portion of the services or work to be performed hereunder without the prior written consent of the Chief Procurement Officer. The Subcontracting of the services or work or any portion thereof without the prior written consent of the Chief Procurement Officer will be null and void. The Contractor will not make any substitution of a subcontractor without the written consent of the Chief Procurement Officer. The substitution of a subcontractor without the prior written consent of the Chief Procurement Officer will be null and void. The Chief Procurement Officer's consent will not relieve the Contractor from any of its obligations under the Contract.

The Contractor will subcontract with only competent and responsible subcontractors. If, in the judgment of the Commissioner or the Chief Procurement Officer, any subcontractor is careless, incompetent, violates safety or security rules, obstructs the progress of the services, acts contrary to instructions, acts improperly, is not responsible, is unfit, is incompetent, violates any laws applicable to this Contract, or fails to follow the requirements of this Contract, then the Contractor will, immediately upon notice from the Commissioner or the Chief Procurement Officer, discharge or otherwise remove such subcontractor.

## **2.22. SUBCONTRACTORS WITH DISABILITIES**

The City encourages Contractors to use Subcontractors that are firms owned or operated by individuals with disabilities, as defined by Section 2-92-586 of the Municipal Code of the City of Chicago, where not otherwise prohibited by federal or state law.

## **2.23. SUBCONTRACTOR PAYMENTS**

Contractor must submit a status report of Subcontractor payments with each invoice for the duration of the contract on the "Subcontractor Payment Certification" form required by the City. The form can be downloaded from the City's website at:

[http://egov.cityofchicago.org/webportal/COCWebPortal/COC\\_EDITORIAL/subcompliance.pdf](http://egov.cityofchicago.org/webportal/COCWebPortal/COC_EDITORIAL/subcompliance.pdf). The statement must list the following for Contractor and for each Subcontractor and supplier for the period for which payment is requested:

1. Total amount invoiced by the Contractor for the prior month;
2. The name of each particular Subcontractor or supplier utilized during the prior month;
3. Indication if the Subcontractor or supplier is acting as an MBE, WBE, DBE, or non-certified firm on this contract;
4. The vendor/supplier number of each Subcontractor or supplier;
5. Total amount invoiced that is to be paid to each Subcontractor or supplier.

If a Subcontractor has satisfactorily completed its Work, or provided specified materials in accordance with the requirements of the Contract, Contractor must pay Subcontractor for such work or materials within fourteen (14) calendar days of Contractor receiving payment from the City.

## **2.24. DEMURRAGE AND RE-SPOTTING**

The City will be responsible for demurrage charges only when such charges accrue because of the City's negligence in unloading the material.

The City will pay railroad charges due to the re-spotting of cars, only when such re-spotting is ordered by the City.

## **2.25. MATERIALS INSPECTION AND RESPONSIBILITY**

The City, by its Chief Procurement Officer, will have a right to inspect any material to be used in carrying out this contract.

The City does not assume any responsibility for the availability of any controlled materials or other materials and equipment required under this contract. The Contractor will be responsible for the contracted quality and standards of all materials, components or completed work furnished under this contract up to the time of final acceptance by the City.

Materials, components or completed work not complying therewith may be rejected by the Chief Procurement Officer and must be replaced by the Contractor at no cost to the City.

Any materials or components rejected must be removed within a reasonable time from the premises of the City at the entire expense of the Contractor, after written notice has been mailed by the City to the Contractor that such materials or components have been rejected.

## **2.26. CASH BILLING DISCOUNT**

Any cash billing discounts offered will not be considered in the evaluation of bids.

## **2.27. AUDITS**

The City may in its sole discretion audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Contract or within five (5) years after the Contract ends, in connection with the goods, work, or services provided under this Contract. Each calendar year or partial calendar year is considered an "audited period". If, as a result of such an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the audit, as follows:

- 1) If the audit has revealed overcharges to the City representing less than five percent (5%) of the total value, based on the contract prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for fifty percent (50%) of the cost of the audit and fifty percent (50%) of the cost of each subsequent audit that the City conducts;
- 2) If, however, the audit has revealed overcharges to the City representing five percent (5%) or more of the total value, based on the contract prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

Failure of Contractor to reimburse the City in accordance with A or B above is an event of default under this Contract, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorney's fees.

## **2.28. PRICE REDUCTION**

If at any time after the date of the bid or offer the Contractor makes a general price reduction in the comparable price of any material covered by the contract to customers generally, an equivalent price reduction based on similar quantities and/or considerations shall apply to the contract for the duration of the contract period (or until the price is further reduced). Such price reduction will be effective at the same time and in the same manner as the reduction in the price to customers generally. For purpose of this provision, a general price reduction will mean any horizontal reduction in the price of an article or service offered (1) to Contractor's customers generally, or (2) in the Contractor's price schedule for the class of customers, i.e., wholesalers, jobbers, retailers, etc., which was used as the basis for bidding on this contract. An occasional sale at a lower price, or sale of distressed merchandise at a lower price, would not be considered a general price reduction under this provision. The Contractor must invoice the ordering offices at such reduced prices indicating on the invoice that the reduction is pursuant to the Price Reduction provision of the contract documents. The Contractor, in addition, must within ten (10) calendar days of any general price reduction notify the Chief Procurement Officer of the City of Chicago of such reduction by letter. Failure to do so may require termination of the contract. Upon receipt of any such notice of a general price reduction all ordering offices will be duly notified by the Chief Procurement Officer.

The Contractor must furnish, within ten (10) calendar days after the end of the contract period, a statement certifying either:

- 1) that no general price reduction, as defined above, was made after the date of the bid or offer; or
- 2) if any such general price reductions were made, that is provided above, they were reported to the Chief Procurement Officer within ten (10) calendar days, and ordering offices were billed at the reduced prices.

Where one (1) or more such general price reductions were made, the statement furnished by the Contractor must include with respect to each price reduction:

- 1) the date when notice of any such reduction was issued;
- 2) the effective date of the reduction; and
- 3) the date when the Chief Procurement Officer was notified of any such reduction.

## **2.29. PROHIBITION ON CERTAIN CONTRIBUTIONS – MAYORAL EXECUTIVE ORDER NO. 05-1**

Contractor agrees that Contractor, any person or entity who directly or indirectly has an ownership or beneficial interest in Contractor of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Contractor's Subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Contractor and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this bid, proposal or Agreement by Contractor, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Contractor and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Contractor represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached the Contractor or the date the Contractor approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Contractor agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Contractor agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

Contractor agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Contractor violates this provision or Mayoral Executive Order No. 05-1 prior to award of the Agreement resulting from this specification, the Chief Procurement Officer may reject Contractor's bid.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Contractor is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the city council.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

- 1) Individuals are "Domestic Partners" if they satisfy the following criteria:
- 2) they are each other's sole domestic partner, responsible for each other's common welfare; and
- 3) neither party is married; and
- 4) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- 5) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
  - a) two of the following four conditions exist for the partners:

- b) The partners have been residing together for at least 12 months.
- c) The partners have common or joint ownership of a residence.
- d) The partners have at least two of the following arrangements:
  - i) joint ownership of a motor vehicle;
  - ii) a joint credit account;
  - iii) a joint checking account;
  - iv) a lease for a residence identifying both domestic partners as tenants.
- e) Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

## **2.30. CONFLICTS OF INTEREST**

No member of the governing body of the City of Chicago or other unit of government and no other officer, employee or agent of the City of Chicago or other unit of government who exercises any functions or responsibilities in connection with the carrying out of the project will have any personal or financial interests, direct or indirect, in the contract.

The Contractor covenants that he presently has no interest and will not acquire any interest, direct or indirect, in the project to which the contract pertains which would conflict in any manner or degree with the performance of its work hereunder. The Contractor further covenants that in its performance of the contract no person having any such interest will be employed.

## **2.31. GOVERNMENTAL ETHICS ORDINANCE**

Contractor must comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics", including but not limited to Section 2-156-120 of this Chapter pursuant to which no payment, gratuity or offer of employment will be made in connection with any City contract, by or on behalf of a subcontractor to the prime Contractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order. Any contract negotiated, entered into, or performed in violation of any of the provisions of this Chapter will be voidable as to the City.

## **2.32. DISCLOSURE OF OWNERSHIP**

Pursuant to Chapter 2-154 of the Municipal Code of the City of Chicago, any person, business entity or agency submitting a bid or proposal to or contracting with the City of Chicago will be required to complete the Disclosure of Ownership Interests in the attached Economic Disclosure Statement and Affidavit. Failure to provide complete or accurate disclosure will render this Agreement voidable.

## **2.33. DISCLOSURE OF RETAINED PARTIES - EXECUTIVE ORDER 97-1**

Bidder will be required to execute the Disclosure of Retained Parties Section of the Economic Disclosure Statement and Affidavit as required by Executive Order 97-1. Refusal to execute the Disclosure of Retained Parties Section of the Economic Disclosure Statement and Affidavit will result in the Chief Procurement Officer declaring the bidder non-responsible. Moreover, if a bidder is deemed non-responsible under this provision, the bidder's status as a non-responsible bidder may apply to the bidder's subsequent bids.

## **2.34. CHAPTER 2-56 OF THE MUNICIPAL CODE OF CHICAGO, OFFICE OF INSPECTOR GENERAL**

It is the duty of any bidder, proposer, or Contractor, all subcontractors, and every applicant for certification of eligibility for a City contract or program, and all officers, directors, agents, partners, and employees of any bidder, proposer, contractor, or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Chicago Municipal Code. The Contractor understands and will abide by all provisions of Chapter 2-56 of the Municipal Code of Chicago. Contractors must inform subcontractors of this provision and require understanding and compliance herewith.

## **2.35. SECTION 2-92-380 OF THE MUNICIPAL CODE OF CHICAGO**

- 1) In accordance with Section 2-92-380 of the Municipal Code of Chicago and in addition to any other rights and remedies (including any of set-off) available to the City of Chicago under the contract or permitted at law or in equity, the City will be entitled to set off a portion of the contract price or compensation due under the contract, in an amount equal to the amount of the fines and penalties for each outstanding parking violation complaint and the amount of any debt owed by the contracting party to the City. For purposes of this section, outstanding parking violation complaint means a parking ticket, notice of parking violation, or parking violation complaint on which no payment has been made or appearance filed in the Circuit Court of Cook County within the time specified on the complaint. debt means a specified sum of money owed to the City for which the period granted for payment has expired.
- 2) Notwithstanding the provisions of subsection (a), above, no such debt(s) or outstanding parking violation complaint(s) will be offset from the contract price or compensation due under the contract if one or more of the following conditions are met:
  - a) the contracting party has entered into an agreement with the Department of Revenue, or other appropriate City department, for the payment of all outstanding parking violation complaints and debts owed to the City and the contracting party is in compliance with the agreement; or
  - b) the contracting party is contesting liability for or the amount of the debt in a pending administrative or judicial proceeding; or
  - c) the contracting party has filed a petition in bankruptcy and the debts owed the City are dischargeable in bankruptcy.

## **2.36. SECTION 11-4-1600(E) OF THE MUNICIPAL CODE OF CHICAGO**

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Contractor warrants and represents that it, and to the best of its knowledge, its Subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

7-28-390	Dumping on public way;
7-28-440	Dumping on real estate without permit;
11-4-1410	Disposal in waters prohibited;
11-4-1420	Ballast tank, bilge tank or other discharge;
11-4-1450	Gas manufacturing residue;
11-4-1500	Treatment and disposal of solid or liquid waste;
11-4-1530	Compliance with rules and regulations required;
11-4-1550	Operational requirements; and
11-4-1560	Screening requirements.

During the period while this Contract is executory, Contractor's or any Subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Contract, constitutes a breach of and an event of default under this Contract, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Contract, at law or in equity.

This section does not limit the Contractor's and its Subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Contract.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Contract, and may further affect the Contractor's eligibility for future contract awards.

## **2.37. BUSINESS RELATIONSHIPS WITH ELECTED OFFICIALS**

Pursuant to Section 2-156-030(b) of the Municipal Code of the City of Chicago, it is illegal for any elected official of the city, or any person acting at the direction of such official, to contact, either orally or in writing, any other city

official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any city council committee hearing or in any city council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. Violation of Section 2-156-030(b) by any elected official with respect to this contract will be grounds for termination of this contract. The term business relationship is defined as set forth in Section 2-156-080 of the Municipal Code of Chicago.

Section 2-156-080 defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of \$2,500 or more in a calendar year; provided, however, a financial interest shall not include: (i) any ownership through purchase at fair market value or inheritance of less than one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the city; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. A "contractual or other private business dealing" will not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the city.

## **2.38. MACBRIDE PRINCIPLES ORDINANCE**

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of Chicago, if the primary Contractor conducts any business operations in Northern Ireland, it is hereby required that the Contractor will make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

For those Contractors who take exception in competitive bid contracts to the provision set forth above, the City will assess an eight percent (8%) penalty. This penalty will increase their bid price for the purpose of canvassing the bids in order to determine who is to be the lowest responsible bidder. This penalty will apply only for purposes of comparing bid amounts and will not affect the amount of any contract payment.

The provisions of this Section will not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

## **2.39. CONTRACTOR CERTIFICATION**

The Contractor or each joint venture partner, if applicable, must complete the appropriate subsections in the attached Economic Disclosure Statement and Affidavit (the Affidavit) under: Certification By Applicant, which certifies that the Contractor or each joint venture partner, its agents, employees, officers and any subcontractors (a) have not been engaged in or been convicted of bribery or attempted bribery of a public officer or employee of the City of Chicago, the State of Illinois, any agency of the federal government or any state or local government in the United States or engaged in or been convicted of bid-rigging or bid-rotation activities as defined in this section as required by the Illinois Criminal Code; (b) do not owe any debts to the State of Illinois, in accordance with 65 ILCS 5/11-42.1-1 and (c) are not presently debarred or suspended: Certification Regarding Environmental Compliance; Certification Regarding Ethics and Inspector General; and Certification Regarding Court-Ordered Child Support Compliance.

## **2.40. COMPLIANCE WITH CHILD SUPPORT ORDERS ORDINANCE**

The Child Support Arrearage Ordinance, Municipal Code of Chicago, Section 2-92-415, furthers the City's interest in contracting with entities which demonstrate financial responsibility, integrity and lawfulness, and finds that it is

especially inequitable for Contractors to obtain the benefits of public funds under City contracts while its owners fail to pay court-ordered child support, and shift the support of their dependents onto the public treasury.

In accordance with Section 2-92-415 of the Municipal Code of Chicago, if the Circuit Court of Cook County or an Illinois court of competent jurisdiction has issued an order declaring one or more Substantial Owner in arrearage on their child support obligations and: (1) a one such Substantial Owner has not entered into a court-approved agreement for the payment of all such child support owed, or (2) a Substantial Owner is not in compliance with a court-approved agreement for the payment of all such child support owed, (see Certification of Compliance with Child Support Orders in Economic Disclosure Statement and Affidavit), then:

For those bidders in competitive bid contracts, the City will assess an eight percent (8%) penalty. This penalty will increase their bid price for the purpose of canvassing the bids in order to determine the lowest responsible bidder. This penalty will apply only for purposes of comparing bid amounts and will not affect the amount of any contract payment.

For purposes of this section, "SUBSTANTIAL OWNER" means any person who owns or holds a ten percent (10%) or more percentage of interest in the bidder; where the bidder is an individual or sole proprietorship, substantial owner means that individual or sole proprietorship.

"PERCENTAGE OF INTEREST" includes direct, indirect and beneficial interests in the Contractor. Indirect or beneficial interest means that an interest in the Contractor is held by a corporation, joint venture, trust, partnership, association, estate or other legal entity, in which the individual holds an interest, or by agent(s) or nominee(s) on behalf of an individual or entity. For example, if Corporation B holds or owns a twenty percent (20%) interest in Contractor, and an individual or entity has a fifty percent (50%) or more percentage of interest in Corporation B, then such individual or entity indirectly has a ten percent (10%) or more percentage of interest in the Contractor. If Corporation B is held by another entity, then this analysis similarly must be applied to that next entity.

The provisions of this Section will only apply where not otherwise prohibited by federal, state or local law.

## **2.41. NON-COLLUSION, BRIBERY OF A PUBLIC OFFICER OR EMPLOYEE**

Contractor, in performing under this contract must comply with the Municipal Code of Chicago, Section 2-92-320, as follows:

No person or business entity will be awarded a contract or sub-contract if that person or business entity: (a) has been convicted of bribery or attempting to bribe a public officer or employee of the City of Chicago, the State of Illinois, or any agency of the federal government or of any state or local government in the United States, in that officers or employee's official capacity; or (b) has been convicted of agreement or collusion among bidders or prospective bidders in restraint of freedom of competition by agreement to bid a fixed price, or otherwise; or (c) has made an admission of guilt of such conduct described in (a) or (b) above which is a matter of record but has not been prosecuted for such conduct.

For purposes of this section, where an official, agent or employee of a business entity has committed any offense under this section on behalf of such an entity and pursuant to the direction or authorization of a responsible official thereof, the business entity shall be chargeable with the conduct. One business entity shall be chargeable with the conduct of an affiliated agency.

Ineligibility under this section will continue for three (3) years following such conviction or admission. The period of ineligibility may be reduced, suspended, or waived by the Chief Procurement Officer under certain specific circumstances. Reference is made to Section 2-92-320 for a definition of affiliated agency, and a detailed description of the conditions which would permit the Chief Procurement Officer to reduce, suspend, or waive the period of ineligibility.

## **2.42. FEDERAL TERRORIST (NO-BUSINESS) LIST**

Contractor warrants and represents that neither Contractor nor an Affiliate, as defined below, appears on the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List, or the Debarred List as maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury or by the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of

persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment.

"Affiliate" means a person or entity which directly, or indirectly through one or more entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity, either acting individually or acting jointly or in concert with others, whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

## **2.43. COMPLIANCE WITH ALL LAWS**

Contractor must observe and comply with all applicable federal, state, county and municipal laws, statutes, regulations, codes, ordinances and executive orders, in effect now or later and whether or not they appear in the Agreement, including those specifically referenced herein or in any of the Contract Documents. Contractor must pay all taxes and obtain all licenses, certificates and other authorizations required in connection with the performance of its obligations hereunder, and Contractor must require all Subcontractors to do so. Failure to do so is an event of default and may result in the termination of this Agreement.

## **2.44. COMPLIANCE WITH ENVIRONMENT LAWS**

### General

The Contractor must at all times observe and comply with all applicable Federal, State, City and other local governmental and agency laws, ordinances, rules, regulations and codes.

### Environmental

The Contractor must comply with all laws relating to environmental matters including without limitation, those relating to fines, orders, injunctions, penalties, damages, contribution, cost recovery compensation, losses or injuries resulting from the release or threatened release of hazardous materials, special wastes or other contaminants into the environment and to the generation, use, storage, transportation, or disposal of solid wastes, hazardous materials, special wastes or other contaminants (collectively, "Environmental Laws") including but not limited to the Resource Conservation and Recovery Act, the Comprehensive Environmental Response, Compensation and Liability Act, the Department of Transportation Regulations, the Hazardous Materials Transportation Act, the Clean Air Act, the National Emission Standards for Hazardous Air Pollutants (40 C.F.R. 61.145), and the Municipal Code, as currently in effect and as amended during the course of the contract period.

If any Environmental Laws require the Contractor to file any notice or report of a release or threatened release of hazardous materials, special wastes or other contaminants on, under or about any premises used by Contractor to perform the Services required hereunder, the Contractor must provide a copy of such report or notice to the City. In the event of a release or threatened release of hazardous materials, special waste or other contaminants into the environment or in the event any claim, demand, action or notice is made against the Contractor regarding the Contractor's failure or alleged failure to comply with any Environmental Laws, the Contractor must immediately notify the City in writing and shall provide the City with copies of any written claims, demands, notices or actions so made.

If the Contractor fails to comply with any Environmental Laws, the City may terminate the Contract in accordance with the default provisions of this Agreement.

For purposes of this provision, the following definitions will apply:

"Hazardous materials" means friable asbestos or asbestos-containing materials, polychlorinated biphenyls (PCB's), chlorofluorocarbon (CFC) refrigerator gas, petroleum or crude oil or any fraction thereof, natural gas, source material, special nuclear materials; and by product materials regulated under the Atomic Energy Act (42 U.S.C § 136 et.seq.), and any hazardous waste, toxic or dangerous substance or related material, including any, material defined or treated as "hazardous substance," "hazardous waste", "toxic substance," or contaminant (or comparable term) under any of the Environmental Laws. "Special wastes" means those substances as defined in 415 ILCS 5/3.45, and as further referred to in Section 809.13 of 35 Illinois Code, Subtitle G, ch.1.

## **2.45. SEVERABILITY**

If any provision of this Contract is held or considered to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case or in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Contract or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any case or circumstances, or of rendering any other provision or provisions in this Contract invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality,

inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Contract or any part of it.

### **3.16. INSPECTION UPON DELIVERY**

Upon delivery of the specified Police Patrol Motorcycles, the City will conduct an in-depth initial visual examination solely for the purpose of identifying gross and obvious damage. The Contractor's representative may be present for the initial examinations.

If defects or omissions are discovered during the inspection, the City may:

- 1) Refuse acceptance of any/all units.

- 3) Require the Contractor to remove any/all units from the City's premises at its own cost to make the necessary corrections.

Any/all labor and materials which may be required to correct non-compliant aspects of all items must be provided by the Contractor in a prompt manner, at no cost to the City. The "promptness" of corrective actions will be established by the City based upon the quantity and scope of the corrections required.

### **3.17. PRICE ADJUSTMENT**

The original bid prices will be valid and firm for the initial twelve (12) month contract period beginning with the start date of the Contract. Beginning on the date after the initial twelve (12) month term, and for each twelve (12) month anniversary thereafter, subject to acceptable performance by the Contractor and contingent upon the

appropriation of sufficient funds for the purchase of the equipment provided for in this Contract, annual price adjustments of the contract pricing may be made after receipt of written request from the Contractor made no later than thirty (30) Calendar Days after the expiration of each such twelve (12) month period. If Contractor does not request a price adjustment within such thirty (30) Calendar Day period, Contractor will not be entitled to a price adjustment for the upcoming year.

Annual requests for price adjustments will reference the Producer Price Index ("PPI") for Police Motorcycles Series ID: WPU14110684, not seasonally adjusted, as it appears in the periodical Producer Price Indices published by the U.S. Department of Labor, Bureau of Labor Statistics. This index can currently be found on the Internet at <http://data.bls.gov/labjava/outside.jsp?survey=wp> although this site's URL is subject to change. (Select "commodity data", then select Group 14, Transportation Equipment, and Item 14110684, Heavy Duty Trucks, and "get data".)

In the case where the referenced series is no longer updated, a comparable series will be selected by the City for computing price adjustments.

The adjusted contract price will be determined by performing the following calculation: The lesser of the original contract price(s) and the original contract price(s) as adjusted by any applicable price reduction (see Price Reduction Section of the General Conditions) will be multiplied by the quotient, and then be rounded to two decimal places to calculate the adjusted contract price(s). The quotient will equal the average of the monthly index values for the final three (3) full months of the annual contract period divided by the index value for the start date of the contract. Adjusted price(s) may be higher or lower than the original contract pricing, as dictated by the applicable index values. Any price adjustments requested in subsequent years of the agreement will be calculated in the same manner.

The contract prices will be adjusted by an amount of no more than five percent (5%) per each twelve (12) month period.

All price adjustment calculations will be based upon the latest version of the PPI available on the eighteenth (18th) day of the month following the anniversary of the contract. The effective date of an adjustment will be the twentieth (20th) day of the month following the month in which the adjustment is requested.

If Producer Price Index data are not available for any month of the final three full months of the annual contract period, the PPI data for the most recent three full months preceding the anniversary of the contract will be used in computing the price adjustment.

**ILLUSTRATION:** If the contract start date is 9/01/07, the contract pricing will be subject to adjustment after 9/01/08. An adjustment to the contract pricing is requested by the Contractor no later than 10/01/08. The index values (available on 9/18/08) for 6/08, 7/08 and 8/08 will be averaged (added, then divided by three). That averaged value will be divided by the index value for 9/07. The original contract price(s) will be multiplied by the quotient of that calculation, and then be rounded to two decimal places to calculate the adjusted contract price(s). The adjusted prices will be effective as of 10/20/08.

This process may be duplicated on each anniversary of the contract (e.g. after 9/01/09, the then in effect will again be subject to adjustment. Adjustment will be based upon the percentage difference when comparing the average index value for the three months from 6/09, 7/09 and 8/09 and the index value for 9/08. The data used will be the latest data available on 9/18/09. The re-adjusted prices will become effective as of 10/20/09).

If approved by the Chief Procurement Officer, a properly executed contract modification must be signed by the Contractor and executed by the City to reflect the price change and the effective date for the change. Original bid prices are in effect until the modification has been fully executed and released to the Contractor unless the modification specifies an effective date for the agreed upon price change.

Any Police Patrol Motorcycles provided by the Contractor at a price change, without a properly executed contract modification signed by the Chief Procurement Officer, is made at the Contractor's risk. Consequently, in the event such modification is not executed by the City, the Contractor releases the City from any liability whatsoever to pay for goods or services rendered at the higher rate.

### **3.18. MINORITY AND WOMEN BUSINESS ENTERPRISES**

It is the policy of the City of Chicago that local businesses certified as Minority Business Enterprises (MBE) and Women Business Enterprises (WBE) in accordance with Section 2-92-450 of the Municipal Code of Chicago and Regulations Governing Certification of Minority and Women-owned Businesses shall have the maximum opportunity to participate fully in the performance of all City contracts.

The Chief Procurement Officer has determined that the nature of the services to be provided under this contract are such that neither direct nor indirect subcontracting opportunities will be practicable or cost-effective. Therefore, there will be no stated goals for MBE/WBE participation resulting from this contract. This determination is being made pursuant to Section 2-92-450 of the Municipal Code of Chicago.

### **3.19. ACCEPTANCE**

It is understood and agreed by and between the parties hereto, that the initial acceptance of any delivery will not be considered as a waiver of any provision of these Specifications and will not relieve the Contractor of its obligation to supply satisfactory Police Patrol Motorcycles which conform to the Specifications, as shown by any test or inspections for which provisions are herein otherwise made. No change, amendment or modification of this Agreement, or any part hereof, is valid unless stipulated in writing and signed by the parties hereto, or their respective agents / representatives.

### **3.20. NON-APPROPRIATION**

If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for payments to be made under this contract, then the City will notify the Contractor of that occurrence and this contract will terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this contract are exhausted. No payments will be made to the Contractor under this contract beyond those amounts appropriated and budgeted by the City to fund payments under this contract.

### **3.21. TERMINATION**

The City may terminate this contract or all or any portion of the contract, at any time by a notice in writing from the City to the Contractor. The City will give notice to the Contractor. The effective date of termination will be the date the notice is received by the Contractor or the date stated in the notice, whichever is later. If the City elects to terminate the contract in full, all services to be provided under it must cease and all materials that may have been accumulated in performing this contract whether completed or in the process, must be delivered to the City within ten (10) calendar days after the termination date.

After the notice is received, the Contractor must restrict its activities, and those of its subcontractors to winding down any activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in the Payment clause and as outlined in the Proposal page, but if any compensation is described or provided for on the basis of a period longer than ten (10) calendar days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed services. The payment so made to the Contractor is in full settlement for all services satisfactorily performed under this contract.

If Contractor disputes the amount of compensation determined by the City to be due Contractor, then the Contractor must initiate dispute settlement procedures in accordance with the Disputes provision in the General Conditions.

If the City's election to terminate this contract for default pursuant to the Default provision in the General Conditions is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be deemed to be an early termination pursuant to this Termination provision.
