A list of Virginia Department of Minority Business Enterprise certified DBE firms is maintained on their web site (<http://www.dmb.state.va.us/>) under the **DBE Directory of Certified Vendors**. Consultants are encouraged to take all necessary and reasonable steps to ensure that DBE have the maximum opportunity to compete for and perform services on the contract. If the consultant intends to subcontract a portion of the services on the project, the consultant is encouraged to seek out and consider DBE as potential subconsultants. The consultant is encouraged to contact DBE to solicit their interest, capability and qualifications. Any agreement between a consultant and a DBE whereby the DBE promises not to provide services to other consultants is prohibited. Include the following wording on federally funded projects with DBE goals: The DBE contract goal for this procurement is ____%.] [Include the following wording on federally funded projects without a DBE goal: *The City of Newport News believes that these services support ____% DBE participation.*

In accordance with the Governor's Executive Order No. 33, the City of Newport News also requires a utilization of Small, Women and Minority (SWaM) Businesses to participate in the performance of state funded consultant contracts. A list of Virginia Department of Minority Business Enterprise (DMBE) certified SWaM firms is maintained on the DMBE web site (<http://www.dmb.state.va.us/>) under the **SWaM Vendor Directory** link. Consultants are encouraged to take all necessary and reasonable steps to ensure that SWaM firms have the maximum opportunity to compete for and perform services on the contract. If the consultant intends to subcontract a portion of the services on the project, the consultant is encouraged to seek out and consider SWaM firms as potential subconsultants. The consultant is encouraged to contact SWaM firms to solicit their interest, capability and qualifications. Any agreement between a consultant and a SWaM firm whereby the SWaM firm promises not to provide services to other consultants is prohibited.

If portions of the services are to be subcontracted to a DBE or SWaM, the following needs to be submitted with your EOI and both must reference the project number(s) for the services:

- Written documentation of the prime's commitment to the DBE or SWaM to subcontract a portion of the services, a description of the services to be performed and the percent of participation.
- Written confirmation from the DBE or SWaM that it is participating, including a description of the services to be performed and the percent of participation.

Any DBE or SWaM firm must become certified (with the Virginia Department of Minority Business Enterprise) prior to your response being submitted. If DBE or SWaM is the prime consultant, the firm will receive full credit for planned involvement of their own forces, as well as the work that they commit to be performed by DBE or SWaM subconsultants. DBE or SWaM prime consultants are encouraged to make the same outreach efforts as other consultants. DBE or SWaM credit will be awarded only for work actually being performed by them. When a DBE or SWaM prime consultant subcontracts work to another firm, the work counts toward DBE or SWaM goals only if the other firm is itself a DBE or SWaM. A DBE or SWaM prime consultant must perform or exercise responsibility for at least 30% of the total cost of its contract with its own force.

DBE or SWaM certification entitles consultants to participate in VDOT's DBE and SWaM programs. However, this certification does not guarantee that the firm will obtain City of Newport News work nor does it attest to the firm's abilities to perform any particular work.

The trail will also provide access to a crossing that will link the trail to the Riverside Hospital. The project is expected to complement the current widening of Warwick Boulevard and the recently completed new entrance to the Mariners' Museum. The project will provide an enjoyable and safe pedestrian link between the heavily visited Mariners' Museum and the existing sidewalk network near Harpersville Road.

The schedule must provide an alternate provision for the public involvement phase to include time, presentation materials and support for a public meeting if and as required.
