SCOPE OF WORK Exhibit A

ANNUAL CROPPING PLAN

1. Introduction

The Contractor shall furnish all labor, including travel and per diem, materials, non-consumable supplies, transportation, equipment, and every other item of expense necessary to perform the Annual Cropping Plan Services specified herein for the California Department of Corrections and Rehabilitation (CDCR), California Correctional Center (CCC), located at 711-045 Center Road, Susanville, CA 96130.

Contractor staffing cost and cost breakdown are included in Exhibit B-2, Rate Sheet.

The State assumes no responsibility for any work commenced by the Contractor and will not reimburse the Contractor for any work performed prior to approval and scheduling by the Institution Contract Liaison.

2. Scope of Work

Contractor will provide assistance with the Annual Cropping Plan Report and Quarterly Authorized Disposal Site Monitoring Report. The Contractor will train CDCR staff in proper sampling techniques.

California Correctional Center (CCC) will maintain irrigation logs and yield data. CCC will collect and deliver all soil, plant, and irrigation water samples for analysis. The Contractor will compile all data and provide a report in a format ready to present to Regional Board. The Contractor will rely in part upon data provided by operation staff and data collected in the field. The Contractor will work with operations staff to review their existing data collection procedures and will augment those procedures, if needed to provide the data needed to comply with the requirements. The type of procedural assistance will include developing any additional required data sheets in hard copy and computer spreadsheet format and providing written instruction on how the data is to be collected.

Contractor will develop the programs and procedures, complete the standard report preparation, and provide assistance to staff in implementing the program. After the program has been implemented, then an additional scope of services can be developed to provide ongoing annual assistance.

3. Annual Cropping Plan Report

The Annual Cropping Plan Report is to be developed and submitted to the Regional Board by January 15th of each year. The intent of the report is to describe the proposed cropping plan for the following year based on a series of characteristics including the following:

CDCR SCOPE OF WORK

Agreement Number CCC.09003
Exhibit A

- Contact Information List*
- Crop (and Soils) Map**
- Field Log*
- Irrigation Method & Irrigation Efficiency**
- Irrigation strategy (water balance)**
- Nitrogen Balance**
- Soil Analysis for Spring and Fall
- Planting locations, size, crop types
- Other Relevant Facility Management Information
- Completed Report***

*To be completed by Agronomist

** To be completed by Agronomist and Consultant

*** To be completed by Agronomist, Consultant and Support Staff

The Annual Cropping Plan Report is in part based on the Quarterly Authorized Disposal Site Monitoring reports. It will also be based on analysis of additional data provided by operations staff, and additional data collected in the field.

It is also the intent of the annual cropping plan report to provide guidance on soil and crop management for fertility. This is one of the most important aspects of the cropping plan report because it is essential to maintain long term soil fertility and plant health, because the wastewater management system relies on the land for irrigation disposal. The new wastewater management system modifications are being designed to allow for extra capacity to manage periods of weather or periods of dry weather. This allows for the potential for field rotation, planting of cover crops, dry farming, application of soil amendments, and other management techniques. The Annual Cropping Plan Report will include the evaluation of the fields by a soil scientist, evaluation of water application and crop yields, and collection of soil samples for agricultural laboratory analysis.

The intent is to meet with treatment plant operations staff and field operations staff at the conclusion of the irrigation season in the fall to review the activities of the past year and plan for the next year. This review would take place once the field soils investigation have been completed and laboratory samples have been analyzed. Then the amount of water anticipated for irrigation can be considered along with the amount of irrigation area likely required. Soil amendments, crop rotation, cover crops, and other management approaches can then be developed for the upcoming year and the Annual Cropping Plan Report will be created in draft form. The report will then be reviewed with treatment and field operations staff and will then be finalized for submission to the Regional Board by CDCR. The report will then be the guide to follow for the upcoming year and will be the basis for then creating the Quarterly Authorized Site Monitoring Reports.

4. Quarterly Authorized Disposal Site Monitoring Report

The Quarterly Authorized Disposal Site Monitoring which is intended to generally follow the crop cycle. The quarterly reports are in part based on the Annual Cropping Plan Report and are intended to be a reflection of the actual operations during a crop cycle versus what was previously planned for the year. The quarterly reports based on crop cycle are to include the following types of information that were part of the annual plan:

CDCR SCOPE OF WORK

Agreement Number CCC.09003
Exhibit A

- Actual planting locations, size, crop types
- Actual irrigation strategy (water balance)
- Actual Nitrogen balance
- Other relevant Facility Management information

- Evaluation of Crop Production**
- Mid Season Tissue Analysis
- Harvest Forage Analysis
- Discussion of Nitrogen Balance**
- Discussion of Water Balance**
- Completed Report***

*To be completed by Agronomist

** To be completed by Agronomist and Consultant

*** To be completed by Agronomist, Consultant and Support Staff

The quarterly crop cycle report is to include an analysis of the amount of water in storage, how much as been irrigated, crops that have been planted and harvested, and related analyses. A nitrogen balance and water balance will be completed based on the crop cycles completed during the quarter.

The overall analysis will compare the water and nitrogen balances forecasted as part of the Annual Cropping Plan with what actually occurred and significant differences will be analyzed. The quarterly authorized disposal site monitoring report will be prepared by a soil scientist or engineer experienced with the use of treated effluent for the production of agricultural crops.

5. **Qualifications**

Bidder shall provide rate(s) on Exhibit B-2. Bidder shall set forth rates in clear, legible figures in the spaces provided in Exhibit B-2. Failure to provide the required rates shall be cause for rejection of your bid.

NOTE:

1. Any quantities listed on Exhibit B-2 are CDCR's estimates only and are offered as a basis for the comparison of bids. The State does not expressly or by implication agree that the actual amount of work will correspond therewith and reserves the right to omit portions of the work as may be deemed necessary or advisable by the State.
2. In the case of a discrepancy between the Unit Price (e.g., Hourly Rate, Cost per Service) and Item Total (e.g., Hourly Rate x Hours Worked = Item Total), the Unit Price shall prevail. However, if the Unit Price figure is ambiguous, illegible, uncertain, or is omitted, the Item Total shall be divided by the estimated usage (e.g., Hours Worked) to determine the Unit Price. SMALL BUSINESS PREFERENCE

Current law encourages state departments to first consider a Small Business Enterprise (Small)/ Microbusiness Enterprise (Micro) for contracting opportunities. CDCR is committed to supporting Small/Micro business participation in state contracting and seeks to use certified Small/Micro businesses whenever possible.

A Small/Micro business enterprise is defined as a business certified by the Department of General Services (DGS), Office of Small Business and Disabled Veteran Business Enterprise Certification Services (OSDS) in which:

1. The principal office is located in California
2. The officers are domiciled in California
3. The business is independently owned and operated
4. The business, with any affiliates, is not dominant in its field of operation; and
5. a. For Small Business, either:
 - (1) The business, together with any affiliates, has 100 or fewer employees and averaged annual gross receipts of \$12,000,000 or less over the previous three years, or
 - (2) The business is a manufacturer with 100 or fewer employees
- b. For Micro Business, either:
 - (1) The business, together with any affiliates, has 100 or fewer employees and averaged annual gross receipts of \$2,750,000 or less over the previous three years, or
 - (2) The business is a manufacturer with 25 or fewer employees

Section 14835, et seq., of the California Government Code requires that a five percent (5%) preference be given to bidders who qualify as a Small/Micro business enterprise. The rules and regulations of this law are contained in Title 2, California Code of Regulations, Section 1896, et seq. A copy of the regulation is available upon request.

CDCR BID PROPOSAL

Agreement Number CCC
Exhibit B-1

To claim the Small/Micro business preference, which may not exceed \$50,000 for any bid, your firm must have a completed application (including proof of annual receipts) on file with the DGS, OSDS, by 5:00 p.m. on the date bids are due, and receipt verified by such office. Therefore, if you are a Small/Micro business, but are not certified, it is to your advantage to become certified. For certification and preference approval process information, contact the OSDS by telephone at (916) 375-4940 or access the OSDS Internet website at www.pd.dgs.ca.gov/smbus/getcertified.htm.

NON-SMALL BUSINESS SUBCONTRACTOR PREFERENCE

Pursuant to Title 2, California Code of Regulations Section 1896, et seq., and Government Code Section 14838, et seq., a bid preference of five percent (5%) is available to a responsive non-small business claiming no less than twenty-five percent (25%) Small/Micro business subcontractor participation with one or more Small/Micro businesses. This preference is considered only if the tentative low bidder is not a certified Small/Micro business.

In granting the Non-Small Business Subcontractor (NSBS) preference, no bid price will be reduced by more than \$50,000. This preference cost adjustment is for computation purposes only and does not alter the actual cost offered by the bidder.

A non-small business is defined as a responsive/responsible bidder that is not certified by the DGS as a Small/Micro business.

To be eligible for the NSBS preference, the business concern must:

1. Complete OBS 550 (Non-Small Business Subcontractor Preference Request) and OBS 551 (Small Business Subcontractor/Supplier Acknowledgement) and submit with bid proposal.

NONPROFIT VETERAN SERVICE AGENCY (NVSA) SMALL BUSINESS PREFERENCE

Pursuant to Military and Veteran Code Section 999.50 et seq., Nonprofit Veteran Service Agencies (NVSAs) claiming Small/Micro business preference and verified as such in the relevant category or business type, will be granted a preference of five percent (5%) of the lowest responsive bid, if the lowest responsive bid is submitted by a bidder not certified as a Small/Micro business.

In granting Small/Micro business preference to NVSAs, no bid will be reduced by more than \$50,000. The preference cost adjustment is for computation purposes only and does not alter the actual cost offered by the bidder.

To be eligible for the NVSA Small/Micro business preference, the business concern must:

1. Request preference at the time of bid submission, and
2. Have a completed application on file with DGS, OSDS by 5:00 p.m. on the date bids are due.

An SB/NVSA is not subject to the same standards as other certified Small/Micro businesses. SB/NVSA standards are identified in Military and Veterans Code Section 999.51(a)(3).

SMALL/MICRO BUSINESSES AND DVBS**

CDCR BID PROPOSAL

Agreement Number CCC
Exhibit B-1

CDCR must identify all contractors, subcontractors and consultants who will provide labor or render services in the performance of this Agreement and further identify whether any of the listed subcontractors and consultants are a certified Small/Micro business, or a certified DVBE. Therefore, the bidder must complete a Subcontractor/Consultant List. If any changes occur in the submitted original Subcontractor/Consultant List, the Contractor shall notify the Office of Business Services (OBS), in writing within ten (10) working days of those changes, including any changes to Small/Micro business or DVBE status.

CDCR asks that you encourage any subcontractor(s) and/or consultant(s) not currently certified as a Small/Micro business or DVBE that may meet the certification requirements specified herein to become certified through the DGS, OSDS. Please provide those subcontractor(s)/consultant(s) the OSDS contact and certification information provided above.

If you are a certified Small/Micro business enterprise and fail to complete the Prime Contractor information section below, your business shall be classified as a large business which will preclude your bid from receiving the five percent (5%) Small/Micro business preference and cause incorrect reporting of Small/Micro business and large business participation by CDCR.

As a condition precedent to contractor's right to institute and pursue litigation or other legally available dispute resolution process, if any, contractor agrees that all disputes and/or claims of contractor arising under or related to the Agreement shall be resolved pursuant to the following processes. Contractor's failure to comply with said dispute resolution procedures shall constitute a failure to exhaust administrative remedies.

Pending the final resolution of any such disputes and/or claims, contractor agrees to diligently proceed with the performance of the Agreement, including the delivering of goods or providing of services. Contractor's failure to diligently proceed shall constitute a material breach of the Agreement.

The Agreement shall be interpreted, administered, and enforced according to the laws of the State of California. The parties agree that any suit brought hereunder shall have venue in Sacramento, California, the parties hereby waiving any claim or defense that such venue is not convenient or proper.

a. **Final Payment**

The acceptance by contractor of final payment shall release the California Department of Corrections and Rehabilitation (CDCR) from all claims, demands and liability to contractor for everything done or furnished in connection with this work and from every act and neglect of CDCR and others relating to or arising out of this work except for any claim previously accepted and/or in process of resolution.

b. **Informal Appeal**

Contractor and the program or institution contract liaison, or other designated CDCR employee of the unit for which the goods are being delivered or the service is being performed, shall first attempt in good faith to resolve the dispute or claim by informal discussion(s). Contractor shall identify the issues and the relief sought. Informal discussion(s) between contractor and contract liaison, or the designated CDCR employee, shall be written, dated, and signed by the authors.

The program or institution contract liaison shall issue an informal written statement to contractor regarding the dispute within fifteen (15) calendar days following settlement or an impasse in the informal discussion(s) process. The written statement shall either: (1) document the dispute settlement and what, if any, conditions were reached; or, (2) document the reason(s) the dispute could not be resolved informally and provide notification to contractor of its option to file a formal appeal within thirty (30) days of the informal statement. One (1) copy of the informal statement and the discussion(s) on which it is based shall be forwarded immediately to the Office of Business Services (OBS) for inclusion in the Agreement file.

c. **Formal Appeal**

If the dispute or claim is not resolved to contractor's satisfaction by the informal appeal process, contractor may file with the Deputy Director, OBS, a formal written appeal within thirty (30) calendar days of the date of CDCR's informal written decision. The formal written appeal shall be addressed as follows:

Contractor shall specify in the formal written appeal the issue(s) in dispute, the particular relief or remedy sought, the factual basis for contractor's claim or dispute, and contractor's legal, technical and/or other authority upon which contractor bases its claim or dispute.

The formal written appeal shall include a written certification signed by a knowledgeable company official under the penalty of perjury according to the laws of the State of California pursuant to California Code of Civil Procedure Section 2015.5 that the dispute, claim, or demand is made in good faith, and that the supporting data are accurate and complete. If an Agreement adjustment is requested, the written certification shall further state under penalty of perjury that the relief requested accurately reflects the Agreement adjustment for which the CDCR is responsible.

If contractor is a corporation, the written certification shall be signed by an officer thereof. If contractor is a sole proprietorship or partnership, it shall be signed by an owner or full partner. If contractor is other than a corporation, sole proprietorship or partnership, it shall be signed by a principal of the company with authority to bind the company.

d. **Further Resolution**

If the dispute is not resolved by the formal appeal process to contractor's satisfaction, or contractor has not received a written decision from the Deputy Director, OBS, after thirty (30) calendar days, or other mutually agreed extension, contractor may thereafter pursue its right to institute other dispute resolution process(es), if any, available under the laws of the State of California.

e. **Contract Disputes with Public Entities**

A county, city, district or other local public body, state board or state commission, another state or federal agency, or joint-powers authority shall resolve a dispute with CDCR, if any, through a meeting of representatives from the entities affected. If the dispute cannot be resolved to the satisfaction of the parties, each entity may thereafter pursue its right to institute litigation or other dispute resolution process, if any, available under the laws of the State of California.

2. **Right to Terminate** (Supersedes provision number 7, Termination for Cause, of Exhibit C)

The State reserves the right to terminate this Agreement subject to thirty (30) calendar days written notice to the contractor. Contractor may submit a written request to terminate this Agreement only if the State should substantially fail to perform its responsibilities as provided herein.

However, the State can immediately terminate this Agreement for cause. The term "for cause" shall mean that the contractor fails to meet the terms, conditions, and/or responsibilities of the Agreement. In this instance, the Agreement termination shall be effective as of the date indicated on the State's notification to the contractor.

This Agreement may be suspended or cancelled without notice, at the option of the contractor, if the contractor or State's premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the contractor is unable to render service as a result of any action by any governmental authority.

3. Responsibility Hearing

If this Agreement is terminated for cause, CDCR reserves the right to conduct a responsibility hearing to determine if the contractor is a responsible bidder before an award of future Agreements can be made.

4. Confidentiality of Data

All financial, statistical, personal, technical and other data and information relating to State's operation, which are designated confidential by the State and made available to carry out this Agreement, or which become available to the contractor in order to carry out this Agreement, shall be protected by the contractor from unauthorized use and disclosure.

If the methods and procedures employed by the contractor for the protection of the contractor's data and information are deemed by the State to be adequate for the protection of the State's confidential information, such methods and procedures may be used with the written consent of the State. The contractor shall not be required under the provisions of this paragraph to keep confidential any data already rightfully in the contractor's possession that is independently developed by the contractor outside the scope of the Agreement or is rightfully obtained from third parties.

No reports, information, inventions, improvements, discoveries, or data obtained, repaired, assembled, or developed by the contractor pursuant to this Agreement shall be released, published, or made available to any person (except to the State) in violation of any State or federal law.

Contractor by acceptance of this Agreement is subject to all of the requirements of California Government Code Section 11019.9 and California Civil Code Sections 1798, et seq., regarding the collection, maintenance, and disclosure of personal and confidential information about individuals.

5. Liability for Loss and Damages

Any damages by the contractor to the State's facility including equipment, furniture, materials or other State property, will be repaired or replaced by the contractor to the satisfaction of the State at no cost to the State. The State may, at its option, repair any such damage and deduct the cost thereof from any sum due contractor under this Agreement.

The contractor shall be responsible for reimbursing CDCR for any additional expenses incurred to cure such defects.

9. Subcontractor/Consultant Information

18. Darfur Contracting Act

Effective January 1, 2009, CDCR generally cannot contract with "scrutinized" companies that do business in the African nation of Sudan, as described in Public Contract Code sections 10475 - 10478. A company that currently has (or within the previous three years has had) business activities or other operations outside of the United States must certify that it is not a "scrutinized" company when it submits a bid or proposal to CDCR. A scrutinized company may still submit a bid or proposal for a contract with CDCR if the company first obtains permission from the Department of General Services (DGS).

All bidders must submit a completed OBS 1500 verifying status, with their bid proposal.

19. Conflict of Interest

The contractor and their employees shall abide by the provisions of Government Code (GC) Sections 1090, 81000 et seq., 82000 et seq., 87100 et seq., and 87300 et seq., Public Contract Code (PCC) Sections 10335 et seq. and 10410 et seq., California Code of Regulations (CCR), Title 2, Section 18700 et seq. and Title 15, Section 3409, and the Department Operations Manual (DOM) Section 31100 et seq. regarding conflicts of interest.

a. Contractors and Their Employees

Consultant contractors shall file a Statement of Economic Interests, Fair Political Practices Commission (FPPC) Form 700 prior to commencing services under the Agreement, annually during the life of the Agreement, and within thirty (30) days after the expiration of the Agreement. Other service contractors and/or certain of their employees may be required to file a Form 700 if so requested by CDCR or whenever it appears that a conflict of interest may be at issue. Generally, service contractors (other than consultant contractors required to file as above) and their employees shall be required to file an FPPC Form 700 if one of the following exists:

1. The Agreement service has been identified by CDCR as one where there is a greater likelihood that a conflict of interest may occur;
2. The contractor and/or contractor's employee(s), pursuant to the Agreement, makes or influences a governmental decision; or

b. Current State Employees

1. No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.
2. No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.
3. In addition to the above, CDCR officials and employees shall also avoid actions resulting in or creating an appearance of:
 - a. Using an official position for private gain;
 - b. Giving preferential treatment to any particular person;
 - c. Losing independence or impartiality;
 - d. Making a decision outside of official channels; and
 - e. Affecting adversely the confidence of the public or local officials in the integrity of the program.
4. Officers and employees of the Department must not solicit, accept or receive, directly or indirectly, any fee, commission, gratuity or gift from any person or business organization doing or seeking to do business with the State.

c. Former State Employees

1. For the two year (2-year) period from the date he or she left state employment, no former state officer or employee may enter into an Agreement in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the Agreement while employed in any capacity by any state agency.
2. For the twelve-month (12-month) period from the date he or she left state employment, no former state officer or employee may enter into an Agreement with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed Agreement within the 12-month period prior to his or her leaving state service.

In addition to the above, the contractor shall avoid any conflict of interest whatsoever with respect to any financial dealings, employment services, or opportunities offered to inmates or parolees. The contractor shall not itself employ or offer to employ inmates or parolees either directly or indirectly through an affiliated company, person or business unless specifically authorized in writing by the CDCR. In addition, the contractor shall not (either directly, or indirectly through an affiliated company, person or business) engage in financial dealings with inmates or parolees, except to the extent that such financial dealings create no actual or potential conflict of interest, are available on the same terms to the general public, and have been approved in advance in writing by CDCR. For the purposes of this paragraph, "affiliated company, person or business" means any company, business, corporation, nonprofit corporation, partnership, limited partnership, sole proprietorship, or other person or business entity of any kind which has any ownership or control interest whatsoever in the contractor, or which is wholly or partially owned (more than 5% ownership) or controlled (any percentage) by the contractor or by the contractor's owners, officers, principals, directors and/or shareholders, either directly or indirectly. "Affiliated companies, persons or businesses" include, but

are not limited to, subsidiary, parent, or sister companies or corporations, and any company, corporation, nonprofit corporation, partnership, limited partnership, sole proprietorship, or other person or business entity of any kind that is wholly or partially owned or controlled, either directly or indirectly, by the contractor or by the contractor's owners, officers, principals, directors and/or shareholders.

The contractor shall have a continuing duty to disclose to the State, in writing, all interests and activities that create an actual or potential conflict of interest in performance of the Agreement.

The contractor shall have a continuing duty to keep the State timely and fully apprised in writing of any material changes in the contractor's business structure and/or status. This includes any changes in business form, such as a change from sole proprietorship or partnership into a corporation or vice-versa; any changes in company ownership; any dissolution of the business; any change of the name of the business; any filing in bankruptcy; any revocation of corporate status by the Secretary of State; and any other material changes in the contractor's business status or structure that could affect the performance of the contractor's duties under the Agreement.

If the contractor violates any provision of the above paragraphs, such action by the contractor shall render this Agreement void.

Members of boards and commissions are exempt from this section if they do not receive payment other than payment for each meeting of the board or commission, payment for preparatory time and payment for per diem.

20. Disclosure

Neither the State nor any State employee will be liable to the contractor or its staff for injuries inflicted by inmates or parolees of the State. The State agrees to disclose to the contractor any statement(s) known to State staff, made by any inmate or parolee, which indicate violence may result in any specific situation, and the same responsibility will be shared by the contractor in disclosing such statement(s) to the State.

21. Security Clearance/Fingerprinting

The State reserves the right to conduct fingerprinting and/or security clearance through the Department of Justice, Bureau of Criminal Identification and Information (BCII), prior to award and at any time during the term of the Agreement, in order to permit Contractor and/or Contractor's employees access to State premises. The State further reserves the right to terminate the Agreement should a threat to security be determined.

22. Notification of Personnel Changes

Contractor must notify the State, in writing, of any changes of those personnel allowed access to State premises for the purpose of providing services under this Agreement. In addition, contractor must recover and return any State-issued identification card provided to contractor's employee(s) upon their departure or termination.

23. Contractor Employee Misconduct

During the performance of this Agreement, it shall be the responsibility of the contractor whenever there is an incident of use of force or allegation(s) of employee misconduct associated with and

directly impacting inmate and/or parolee rights, to immediately notify CDCR of the incident(s), to cause an investigation to be conducted, and to provide CDCR with all relevant information pertaining to the incident(s). All relevant information includes, but is not limited to: a) investigative reports; b) access to inmates/parolees and the associated staff; c) access to employee personnel records; d) that information reasonably necessary to assure CDCR that inmates and/or parolees are not or have not been deprived of any legal rights as required by law, regulation, policy and procedures; and e) written evidence that the contractor has taken such remedial action, in the event of unnecessary or excessive force, or employee misconduct with inmates and/or parolees, as will assure against a repetition of incident(s) or retaliation. To the extent that the information provided by the contractor fails to so assure CDCR, CDCR may require that any implicated contractor staff be denied access to and the supervision of CDCR inmates and/or parolees at the facility and access to inmate and/or parolee records. Notwithstanding the foregoing, and without waiving any obligation of the contractor, CDCR retains the power to conduct an independent investigation of any incident(s). Furthermore, it is the responsibility of the contractor to include the foregoing terms within any and all subcontracts, requiring that subcontractor(s) agree to the jurisdiction of CDCR to conduct an investigation of their facility and staff, including review of subcontractor employee personnel records, as a condition of the Agreement.

24. Workers' Compensation

Contractor hereby represents and warrants that Contractor is currently and shall, for the duration of this agreement, carry workers' compensation insurance, at Contractor's expenses, or that it is self-insured through a policy acceptable to CDCR, for all of its employees who will be engaged in the performance of this agreement. Such coverage will be a condition of CDCR's obligation to pay for services provided under this agreement.

Prior to approval of this agreement and before performing any work, Contractor shall furnish to the State evidence of valid workers' compensation coverage. Contractor agrees that the workers' compensation insurance shall be in effect at all times during the term of this agreement. PAYEE DATA RECORD

STD. 204 (Rev. 6-2003) (REVERSE)

1	<p><u>Requirement to Complete Payee Data Record, STD. 204</u></p> <p>A completed Payee Data Record, STD. 204, is required for payments to all non-governmental entities and will be kept on file at each State agency. Since each State agency with which you do business must have a separate STD. 204 on file, it is possible for a payee to receive this form from various State agencies.</p> <p>Payees who do not wish to complete the STD. 204 may elect to not do business with the State. If the payee does not complete the STD. 204 and the required payee data is not otherwise provided, payment may be reduced for federal backup withholding and nonresident State income tax withholding. Amounts reported on Information Returns (1099) are in accordance with the Internal Revenue Code and the California Revenue and Taxation Code.</p>								
2	<p>Enter the payee's legal business name. Sole proprietorships must also include the owner's full name. An individual must list his/her full name. The mailing address should be the address at which the payee chooses to receive correspondence. Do not enter payment address or lock box information here.</p>								
3	<p>Check the box that corresponds to the payee business type. Check only one box. Corporations must check the box that identifies the type of corporation. The State of California requires that all parties entering into business transactions that may lead to payment(s) from the State provide their Taxpayer Identification Number (TIN). The TIN is required by the California Revenue and Taxation Code Section 18646 to facilitate tax compliance enforcement activities and the preparation of Form 1099 and other information returns as required by the Internal Revenue Code Section 6109(a).</p> <p>The TIN for individuals and sole proprietorships is the Social Security Number (SSN). Only partnerships, estates, trusts, and corporations will enter their Federal Employer Identification Number (FEIN).</p>								
4	<p><u>Are you a California resident or nonresident?</u></p> <p>A corporation will be defined as a "resident" if it has a permanent place of business in California or is qualified through the Secretary of State to do business in California.</p> <p>A partnership is considered a resident partnership if it has a permanent place of business in California. An estate is a resident if the decedent was a California resident at time of death. A trust is a resident if at least one trustee is a California resident.</p> <p>For individuals and sole proprietors, the term "resident" includes every individual who is in California for other than a temporary or transitory purpose and any individual domiciled in California who is absent for a temporary or transitory purpose. Generally, an individual who comes to California for a purpose that will extend over a long or indefinite period will be considered a resident. However, an individual who comes to perform a particular contract of short duration will be considered a nonresident.</p> <p>Payments to all nonresidents may be subject to withholding. Nonresident payees performing services in California or receiving rent, lease, or royalty payments from property (real or personal) located in California will have 7% of their total payments withheld for State income taxes.
