Issued: February 5, 2009

**CITY OF HAMILTON
REQUEST FOR TENDER**

**Supply and Delivery of Medical and First Aid Supplies
to Various City of Hamilton Departments**

ADDENDUM No. 4

The following, issued by the Purchasing Section February 5, 2009 shall form part of the Request for Tender documents for the above, and the revisions and additions noted herein and any attachments shall read in conjunction with all other documents. This Addendum shall, however, take precedence over all previously issued Request for Tender documents where differences occur.

Included in this Addendum is:

- 2 pages for Addendum #4
- 14 pages of Revised Schedule B
- 14 pages of Revised Schedule C
- 8 pages of Revised Schedule A1
- for a total of 38 pages

1. Schedules B, C and A1

Bidders are advised that the above noted Schedules have been revised and are attached hereto and available online at

hamilton.ca/Purchasing/CurrentBidOpportunities

Items have been added, deleted or clarified on these Schedules. These changes are reflected on the Revised Schedules.

<u>Bidders are to submit the revised pages of Schedule B, Schedule C and Schedule A1 as per this Addendum 4, with the Bid. Failing to do so will cause the Bid submission to be disqualified.</u>
--

2. Questions/Clarifications:

Question 1	On Schedule C Line 24 Arjosound Additive, the size of the item is listed as 1 litre. Our supply source tells us that this product is only available in 2 litre and 4 litre sizes. What size would you like us to quote?
Answer 1	Bidders are to Bid the 2 litre size.

Question 2	On Schedule C, Line 221, the manufacturer, Becton Dickinson advises that the item as listed is not available.
Answer 2	Bidders are to Bid BD reference number is BD305924
Question 3	Items 17, 22, 23, 24, 28, 84, 135, 136, 165 and 200 are housekeeping items and not medical supplies. They are used for hand cleaning and cleaning tubs. Would it be possible to have them on a separate schedule to allow for more bidders to be able to provide a complete submission for Section C medical supplies? Having these items on Schedule C gives an unfair advantage to the current supplier as they are “exclusive” to one supplier and all items must be bid on or the submission is disqualified. We could bid alternates, but because of the dispensing systems in place at the facilities the alternates would not fit putting a “preference” on the current supplier and giving an unfair advantage as all items must be bid on. Removing these items from schedule C would allow more bidders to submit a complete bid.
Answer 3	All of these items and Item 136 have been taken off this Tender – as per revised Schedule C
Question 4	Item 159 has been changed to Welch-Allyn oral probe covers. Item 160 refers to Suretemp probe covers, which are also Welch Allyn oral probe covers. Can you please clarify which specific device the probe covers are for on item 159?
Answer 4	Bidders are to bid the item as described.
NOTE:	Schedule C, Item 178 was inadvertently stroked out. Bidders are to Bid this item.
Question 5	Regarding Schedules A1 and B, AO Safety Supplies was bought by 3M. However 3M will not be manufacturing the Pleats Plus Masks. 3M only manufacture the different N95 and the regular Surgical Earloop Masks.
Answer 5	These items have been eliminated from Schedules A1 and B.
Question 6	Item 208 is listed as Cath. Male 14FR. Male catheters are traditionally external and come in Small, Medium and Large sizes. Can you please clarify?
Answer 6	This item is sized at 14fr and is referred to as urethral catheter. The difference between that and a female catheter is that the urethral is 16 inches and the female is 7 inches. It is used for intermittent catheterization.

- for a total of 39 pages

1. Extension of Closing Date

Bidders are advised that the Closing Date for this Proposal has been extended from Wednesday, February 4, 2009 to Thursday, February 5, 2009. Therefore:

Sealed Proposals addressed to the Manager of Purchasing, Standard Life Building, 9th Floor, Suite 900, 120 King Street West, Hamilton, ON, L8P 4V2 will be received at **only** the Purchasing Section up to and including **THREE o'clock p.m. Local Time, Thursday, February 5, 2009** for the above.

2. Schedules B, C and A1

Bidders are advised that the above noted Schedules have been revised and are attached hereto and available online at

hamilton.ca/Purchasing/CurrentBidOpportunities

Items have been added, deleted or clarified on these Schedules. These changes are reflected on the Revised Schedules.

<u>Bidders are to submit the revised pages of Schedule B, Schedule C and Schedule A1 as per this Addendum, with the Bid. Failing to do so will cause the Bid submission to be disqualified.</u>

3. Questions/Clarifications:

Question 1	On Schedule A1, lines 122 and 123. Both are AO Safety Pleats Plus N95 masks that are no longer manufactured. They are also listed on Schedule B lines 47 and 48. The AO Safety line on N95 products was fairly recently acquired by the 3M Company. 3M Canada now advises substitutes for these. Would you like us to quote on the 3M substitutes or to leave lines 122 and 123 blank and mark as "discontinued"?
Answer 1	Bidders are to quote the 3M substitutes for these items - See revised Schedule B and A1. <u>All items must be Bid, by placing a "discontinued" in place of a Bid will cause the Bid to be disqualified.</u>
Question2	The "Estimated Annual Usage of Each Individual Item" column on all the schedules lists approximate annual usages of each individual line item. Can it be assumed that the estimated usage numbers listed consistently refers to EACH as the most base unit of measure unless otherwise noted in the "Product Description" Column?
Answer 2	The estimated usage numbers listed consistently refers to EACH as the most base unit of measure regardless of what is noted in the "Produce Description" Column.
Question 3	In the Special Provisions blue document on page 55 under "CD and Hardcopy Submission", Under subsection 1) "...originally completed and signed <u>page 60 through 64</u> of the FOT (yellow pages);" For clarity, will my name and title (listed below) and signature suffice for this purpose, or is a person with our Corporation signing authority signature required? (our internal company policy allows for my signature on documents designated as tenders and would be considered binding)
Answer 4	As long as your signature will bind the company, you can sign the Bid.
Question 5	Are you able to provide an estimated start date of the contract upon successful award to the bidder(s) to allow time for inventory ramp-up?
Answer 5	The estimated start date for this contract is mid to late March, 2009.
Question 6	On Schedule B lines 14 and 15 gauze sponge, can you please expand on the description of what is required? (i.e. Sterile or non-sterile? Regular gauze or non-woven? What is the ply requirement?)
Answer 6	Lines 14 and 15 are Sterile Gauze 2pks – Bidders are to bid per item even though it is a 2 pk - as reflected in Revised Schedule B
Question 7	On Schedule B line 43 Hot/Cold Gel Pack and line 44 Instant Cold Packs, is there a size specification for either item as size can affect price quoted?
Answer 7	Instant Cold Pack 8" x 5", Hot/Cold Packs 8" x 5".
Question 8	On Schedule C line 134, Microsan Gel 300ml. This item is listed as discontinued by our supply source. Are we to leave this line blank and write "discontinued" on the hard copy submission?
Answer 8	This item has been crossed off on Revised Schedule C.

Question 9	On Schedule C line 159 Probe Covers, can you please expand on the description of what is required? (i.e. Brand or type of probe cover? For oral or tympanic model probe?)
Answer 9	Line 159 has been revised to provide for Bids on the Welch-Allyn Oral probe cover and line 231 has been added to provide for Bids on the Thermoscan - Tympanic probe cover. Schedule C has been revised to reflect this clarification.
Question 10	On Schedule C line 171 Silvercel 2.5 x 20.5. This item is listed as not available by our supply source. A size 2.5 x 30.5 is available. Is it acceptable to quote this size instead?
Answer 10	This has been revised in Revised Schedule C.
Question 11	Item 214 and Item 215 both have the same purchase quantity. Are the facilities going to use both of these items, or just one? If they are going to use just one of these items, are we required to bid on both, or only one? Can you please clarify?
Answer 11	Bidders are to bid both Items 214 and 215 of Revised Schedule C. Due to the Ministry Standard to protect employees effective April 1, 2009 it will be mandatory for all long term care homes to use safe engineered needles. As the tender for medical supplies is being done presently and a final decision regarding which products will be used hasn't been made, all options are listed for safety needles that we are presently considering for usage. Estimated quantities listed reflect quantities that would be required when a final decision is made regarding these items.
Question 12	Item 153 is still listed in the schedule as well at the same quantities as Item 214 and Item 215. Item 153 is not a safety product, Items 214 and 215 are. Are we required to bid on 153 as well as 214 and 215 as pen needles are listed 3 times?
Answer 12	Please note that on Revised Schedule C, Item 152 is to be Bid and Item 153 has been deleted.
Question 13	Item 19, the Approximate Annual Number of Units purchased is extremely high. In our experience, we believe this may be an error? Can you please clarify?
Answer 13	The estimated quantity has been updated on Revised Schedule C.

City of Hamilton

REQUEST FOR TENDERS NOTICE

***Supply and Delivery of Medical and First Aid Supplies to
Various City of Hamilton Departments***

Sealed Bids addressed to the Manager of Purchasing, Standard Life Building, 120 King Street West, 9th Floor, Suite 900, Hamilton, ON, L8P 4V2 will be received at only the Purchasing Section up to and including THREE o'clock p.m., Local Time, Thursday February 5, 2009 for the above.

The City of Hamilton invites the submission of Bids from qualified Bidders to supply and deliver medical and first aid supplies to various departments of the City Of Hamilton. The various departments are located within the City of Hamilton's boundaries which include the former municipalities of Flamborough, Stoney Creek, City of Hamilton, Ancaster, Dundas and Glanbrook.

Request for Tenders documents must be obtained in the Purchasing Section, 9th Floor, 120 King Street West, Hamilton, ON between 8:30 a.m. and 4:30 p.m. upon payment of a \$55.00 non-refundable, tax included, fee: cash, money order, bank draft or company cheque made payable to the City of Hamilton. Personal cheques must be certified.

If unable to visit the Purchasing Section office in person to obtain documents, Bidders must arrange to forward the fee, together with the Bidder's completed return courier waybill, including the Bidder's account number with the courier, and envelope; and have the courier pick up on your behalf. **The Purchasing Section must be contacted at telephone number (905) 546-2773 and informed of this so that staff may prepare the package for pickup by courier.** Documents will not be sent out by collect shipment by courier, and the City will not be responsible for any lost fee.

A complete set of Tender documents will be available for viewing at the Purchasing Section at the location stated above.
