# THE BEST RESOURCES TO SERVE YOUR NEEDS

## GOVERNMENT SOLUTIONS

- Small business administration partnerships — SDB, WOB, MOB, SDVOB, HUBZ and 8a
- An advanced information technology network — all of our branches are linked electronically, providing you access to every piece of equipment in our fleet. You get exactly what you need, when you need it.
- An experienced team — government sales and service center, state and regional sales reps, branch managers, maintenance and delivery professionals and quote specialists dedicated to providing you with the right equipment, right now.
- The strength of a well-developed support infrastructure everything from a world-class safety department that can quickly and efficiently train your employees to use our equipment, to round-the-clock emergency assistance.

## VALUE-ADDED SERVICES FOR GOVERNMENT AND MILITARY CUSTOMERS:

- Exclusively Assigned Government Account Team
- Exclusively Focused Government Sales and Service Center
- Dedicated Government Website
- OSHA Compliant and Professional Risk Services
- Disaster Recovery Services and Logistics
- UR Control® – Real Time Access to Account Information
- United Guard™ Warranty Program
- 24/7 Equipment Service and Emergency Response
