COLUMBIA CHAPTER OF NIGP
SCHOLARSHIP PROGRAM

PROGRAM INTENT AND FUNDING

The Scholarship Program is promoted at meetings, through the Columbia Chapter of NIGP (Columbia Chapter) website, with emails, and at sponsored workshops. Selection will be based on the application and merits of each applicant in accordance with the scholarship activity criteria. Race, creed, color, national origin, gender, age or employment status of the applicant (other than within public purchasing) will not be considered in awarding scholarships. Scholarship winners will be notified in writing of their selection as a scholarship recipient.

Columbia Chapter values the contributions, efforts, dedication and professionalism of its members. Columbia Chapter’s Scholarship Program is offered to meet the member’s needs in the hopes that the Chapter may assist them in financing their growth in the field of governmental purchasing, and support their determined efforts toward growth and development within the profession.

Columbia Chapter recognizes that it has become increasingly more difficult for public entities to provide funding for member’s professional development and continued education. Therefore, the Scholarship Program, as funding permits, will assist current members with a bonafide financial need in sustaining their professional goals.

Funding will be determined by the Columbia Chapter Board each December and is contingent upon overall organizational proceeds available from the Chapter’s various fund-raising activities.

SCHOLARSHIP APPROVAL

All requests for scholarships shall be forwarded to the Scholarship Chair on the Columbia Chapter NIGP Scholarship Application. Incomplete applications will not be considered.

The Immediate Past President shall chair the Scholarship Committee with two committee members appointed by the President. The committee shall recommend approval or disapproval of scholarship requests to the Board for final approval. In no case shall scholarships be awarded in excess of budgeted dollars.
