Intake Form- General Services for Departments and Schools, Public Agencies, and Private Schools

This Intake Form is used to enter into Agreements that are less than \$109,300.00 for the term of the Agreement, that are not professional by definition. The services needed will support a department or school site, private school or they are with a public agency.

General Services

☐

Public Agency Agreement

☐

Private Schools

☐

Amendment to Existing Agreement

☐

Other

Venue agreements should be submitted under this option. Attach the Venue agreement to the Intake Form as a Scope of Work.

☐

Requested Board Date *

This date must be at least 8 weeks from the intake submission date. You can access the board dates [here](#)

Start Date of Services *

This is the date the work is to start.

End Date of Services *

This is the date the work is to end.

Intake Form- Professional Services, Software License, and Amendments

This Intake Form is used to enter into Agreements with a Professional Consultant or an Organization that supports administrative functions, student learning, and teaching/learning supports.

Professional Services

The person or company is providing services that require the employees to be specially trained in the services. Additionally, the District lacks the staff to provide the services requested.

☐

Software License

Use this link when a company is presenting a license agreement for an online cloud or software service that supports either school sites or district operations.

☐

Amendment to Existing Agreement

The Board of Education has approved an Agreement and this request is amending the Agreement by changing the scope of work, term, or cost. Attach to your request the most current Agreement that needs to be amended.

☐
