General

Pursuant to Article VII, Chapters, Section 1 of the NIGP Bylaws, Chapters may be organized to promote the accomplishment of the Institute’s purposes.

A. Formation and Charter

Any group of public procurement officials who represent a minimum of five (5) NIGP-member agencies and who are desirous of forming a chapter of the Institute shall execute a petition in the form prescribed for this purpose. The NIGP Chapter Formation Guide (Appendix B) shall contain Chapter petitioning requirements, documents, and procedures as approved by the NIGP Member Council.

The petition to charter a new chapter affiliate shall be presented to the Member Council for approval prior to the scheduling of a chartering ceremony.

The NIGP Member Council shall authorize the allocation of start-up funds to each new NIGP Chapter. If the allocation is not budgeted through the annual appropriation and the funding request exceeds $2,500, the Member Council shall seek a non-budgeted allocation from the Finance Council. Said funds will be provided at the time of the official charter. Additionally, NIGP will also cover costs up to $500 for the chapter to become incorporated as well as pay for the Chapter General Liability Insurance on a yearly basis.
A group of Individuals shall also have the option to become a branch of an established NIGP Chapter. The NIGP Chapter Formation Guide shall contain the process in which they are established.

H. **Chapter Affiliation Agreement**

NIGP and chartered chapter affiliates shall jointly execute a Chapter Affiliation Agreement, as revised by both parties from time to time in their best interests, which outlines the guiding principles and an operating framework that defines areas of accountability, responsibility, authority and promotes the appropriate collaboration necessary to meet shared goals.

If an Agreement is not executed or if an Agreement is executed and subsequently terminated by either party, the chapter shall surrender its charter in accordance with the policies outlined in this section.

J. **IRS Exemption**

Such requirements will provide uniformity in complying with IRS requirements, reduce/eliminate a federal tax burden, and provide legal protections for the governing boards of the chapters.

NIGP will provide technical, legal and financial assistance to any chapter affiliate wishing to apply under NIGP’s group exemption. If a chapter affiliate decides not attain exemption under NIGP’s group policy, the chapter shall submit a determination letter from the IRS indicating that it has been exempted from federal taxation.

Such determinations shall be recorded in the Chapter Online Resource Guide and shall be communicated to the Chapter President at a minimum of ninety (90) days prior to the effective date of the new reporting period.
To be considered a chapter in good standing all required forms or documentation must be submitted by the appropriate deadlines. If a chapter fails to submit all the requisite reports for more than three (3) months following the deadline, the Member Council will be notified of the deficiency and shall determine whether to revoke the chapter charter in the best interests of the Institute.

L. Chapter Assessment Fee

The Finance Council shall formulate a schedule of and levy annual dues; subject to budget ratification by the Governing Board.

To be considered a chapter in good standing, the Chapter assessment fee shall be paid within sixty (60) calendar days of the invoice date. M. Chapter Bylaw Modifications

Any modifications to the chapter’s Bylaws shall be submitted to the Chief Executive Officer or designee prior to voting on and approval of the chapter membership. This review is intended to ensure that the modifications are consistent with NIGP’s organizational policies.

the appropriate course of action in the best interest of the Institute.
