What do Finance Council members say about the experience?

“Serving on the NIGP Finance Council has been a fantastic experience and a valuable opportunity to learn more about the governance of NIGP and the impressive leadership that guides our organization daily. However, I would have to say the most incredible part of serving on the Council is the opportunity to meet some remarkable fellow NIGP members from across the nation and build lifelong friendships.”

Procurement Manager for Columbia County Board of Commissioners, GA

“Joining the NIGP Finance Council gave me an opportunity to give back to an organization that helped me tremendously when I first entered the public procurement profession. I thoroughly enjoy the Finance team members and the NIGP staff. Being part of the Council has allowed me to expand my network outside of Florida and learn more about NIGP. I would highly recommend becoming involved with NIGP”
